Discovering
the Secret of
a Man's Soul
Harrison House

Publishers
Women of every
culture and
society are
facing the
dilemma of
identity.
Traditional
views of what
it means to be
a woman and
changing

cultural and
marital roles
are causing
women conflict
in their
relationships
with men. Women
are under
tremendous
stress as they
struggle to
discover who

they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

A Resource for Educators Thomas Nelson
 With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls **The Samson Society**. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in **The Samson**

Society, offers a radical, refreshing alternative.

Understanding Your Husband
Harper Collins

There is a path leading to authentic manhood, cut by men who have gone before us, sons following in the footsteps of their fathers, generation after generation. There are perils along the trail, even disasters?all the more reason to rely on the guidance of a Father who has gone before. But in an age when true fathers are in short supply, how do you find the path to manhood? How do you steer clear of the

dangers? John Eldredge calls men back to a simple and reassuring truth: God is our Father. In life's trials and triumphs, God is initiating boys and men through the stages of manhood from Beloved Son to Cowboy to Warrior to Lover to King to Sage. Fathered by God maps out the path of manhood?not more rules, not another list of principles, not formulas, but a sure path men have followed for centuries before us. Find that path and become the man God sees in you.

Handbook to Life in the Aztec World
Whitaker House

Since its violent dissolution in 1521, the Aztec Empire of Mexico has continually intrigued us. Recent discoveries resulting from the excavation of the Templo Mayor in the heart of Mexico City have taught us even more about this fascinating culture. The increasing recognition that the achievements of Mesoamerican civilizations were among the most sophisticated of the ancient world has led to a demand for introductions to the basic methods and theories of scholars working throughout the region. Handbook to Life in the Aztec World gathers the results from recent archaeological discoveries and scholarly research into a single accessible volume. Organized

thematically, the handbook covers all aspects of life in the Aztec world: Mesoamerican civilizations and Aztec archeology; evolution of Aztec civilization; geography of the Aztec world; society and government; religion, cosmology, and mythology; funerary beliefs and customs; Aztec art; Aztec architecture; Nahuatl literature; the calendar, astronomy, and mathematics; economy, industry, and trade; daily life; the Aztec after conquest and today. Each chapter includes an extensive bibliography, and more than 165 original line drawings, photographs, and maps complement the text. Handbook to Life in the Aztec World provides all the essential information

required by anyone interested in Aztec history or culture.

Anthropology is

the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic"

profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and

what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters. *Land of Hope* Whitaker House "Real manhood and Christlikeness

are synonymous." --Edwin Louis Cole Braving today's masculinity maze, with its confused images that distort real manhood, requires courage and wisdom. Edwin Louis Cole, as a mentor, friend, and spiritual father, declares a model for manhood that is infallible, functional, and yet feasible--the manhood of Christlikeness. Real Man rips apart unfulfilling stereotypes, smothers the pressure of unrealistic demands, exposes cheap substitutes

and social imitations of true manhood--while giving a man the power he needs to obtain the spirit and conviction of being a real man. Learn how to: Maximize your masculinity Discover the manhood of Jesus Christ Get and stay on top Determine your heart's direction Achieve fulfilling accomplishments Clarify your role as a leader, husband, father, friend. Real Man addresses the full range of man's life--marriage, finances, friendships,

success, failure, parenting, and spirituality. Jesus Christ overcomes substitute manliness and sets the standard for real manhood to help men be real. "Ed Cole's training for men is a fiery instrument at a strategic time. Get it to ignite the renewed flame of practical, purposeful, manly living for this day!" -Pastor Jack Hayford "Sometimes you meet a man who forever impacts the way you think and, most importantly, the way you live. Dr. Edwin Louis Cole was such a

man, and is such a man still, through his writing. Enjoy!" --Actor Chuck Norris

Establishing them as habits will lead you to higher heights, straighter paths, and a better life.

For Better or for Best Resolute Press LLC

For too long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear,

informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society. The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers

the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as *Land of Hope* brilliantly shows, there is no

contradiction between a truthful account of the American past and an inspiring one. Readers of *Land of Hope* will find both in its pages.
