Stock Factograph Manual John Wiley & Sons
A one-of-a-kind guide to organizing your fridge--including practical tips for meal prep and storage, plus more than 100 recipes--that makes it easier to eat better, save money, and get the most out of your food Practicing "fridge love" is a roadmap to eating healthier, saving money, and reducing food waste while enjoying a beautiful and harder-working fridge. This book--part organizational guide and part food-prep handbook--is your guide. Author Kristen Hong adopted a nutrient-dense, plant-based diet in an effort to lose weight and improve her health. But amidst the demands of day-to-day life and a busy family, she found it impossible to stick to. The solution? A smarter, better-organized fridge that served her real-life needs. In this invaluable resource, you will discover how a beautifully organized fridge can make your life--including healthy eating for the whole family--easier. It covers general fridge organization (for all models and configurations) as well as shopping tips, storage guidelines, the best meal-prep containers, and more than 100 easy plant-based recipes made for meal prepping.

Stephen Anthony's new novel, Twelve Good Years: A Retired Chef's (mis)Adventures in Mexico tells the story of a retired Los Angeles chef who decides to pursue a new life in Mexico, not long after the death of his wife. He leaves behind the daily grind, the house in the suburbs, and most of his worldly possessions and embarks on a life changing journey. Packing up his old truck, he heads down to Mexico with his faithful dog to join his good friend Paul, who years earlier had left Los Angeles to live in a seaside village not far from Puerto Vallarta. Thus begins the wonderful adventures of David, and his encounters with the colorful characters he meets 'south of the border. Not everything that happens to David and his new friends are as idyllic as one might dream, but it is a realistic and compelling story, partly inspired by the real-life adventures of the author's grandfather, who was an active traveler and sport fisherman. In a genuine and approachable writing style, Twelve Good Years captures the sense of new friends, new places, and new opportunities, as well as a closer connection with nature, that people dream of when they consider swapping their current hectic lifestyle in the modern world, for a simpler, more relaxed life in an exotic locale.

The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution:

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper products, tools, and techniques (PTT) for the job
- Implement these new cleaning routines so that they stick

Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.
