Maytag Oven Error Codes & How to Fix | Just-in Time ...

Maytag ovens come with a set of fault codes to diagnose errors with the appliance. The codes all feature the "F#" format and range from "0" to "9." The "F9" error appears when there is a malfunction with the oven door latch. The error is often a simple glitch that requires little maintenance to repair and get your oven operating normally again.

Maytag Washing Machine Error Codes | Troubleshooting and ...

Maytag ERC Fault Codes Many failure codes are caused by a faulty timer (also known as the Electronic Range Control). Sometimes, even when the failure code implies that another component has failed this can actually be a timer problem (whereby the timer is not displaying the correct fault code).
