A one-of-a-kind guide to organizing your fridge--including practical tips for meal prep and storage, plus more than 100 recipes--that makes it easier to eat better, save money, and get the most out of your food Practicing "fridge love" is a roadmap to eating healthier, saving money, and reducing food waste while enjoying a beautiful and harder-working fridge. This book--part organizational guide and part food-prep handbook--is your guide. Author Kristen Hong adopted a nutrient-dense, plant-based diet in an effort to lose weight and improve her health. But amidst the demands of day-to-day life and a busy family, she found it impossible to stick to. The solution? A smarter, better-organized fridge that served her real-life needs. In this invaluable resource, you will discover how a beautifully organized fridge can make your life--including healthy eating for the whole family--easier. It covers general fridge organization (for all models and configurations) as well as shopping tips, storage guidelines, the best meal-prep containers, and more than 100 easy plant-based recipes made for meal prepping.

Third Series 1959: July-December

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.
