We can see from the floods, earthquakes, tsunamis, volcanic eruptions and pollution disasters that our earth is disturbed. Not to mention the political upheaval that blights the planet. However, the Earth herself has given us tools that assist in stabilizing the situation and which teach us how to turn our thoughts and actions towards positive healing for the planet rather than envisaging her destruction. Crystals offer us creative solutions. Some amazing high-vibration crystals have made themselves known at this time to assist with Earth healing and with personal consciousness-raising. Other Earth healing crystals have been around for millennia but still do a sterling job of restoring the environment and the earth beneath our feet to optimum energetic functioning.
