that have to be done to keep
your car in the best
conditions.The main goal is to
save money. For each
maintenance, it will cost you
from 35e to 50e maximum, while
it costs more than 200e at your
car dealer. You save at least
150e per service.More than
money, you save time here ! We
assure you than after the first
learning, you will not need
more than 30 minutes! Better
than go to the car dealer and
wait for two hours.The Child's
Play Maintenance manuals have
the goal to allow anyone to do

its car service himself. We
think your mechanic charge far
too much for what it is, and we
want you to avoid this useless
expense. The Child's Play Mazda
3 is the first of the serie,
each manual is specific to a
single model (location of the
parts are different, as the way
to replace them)
