“ Everything I want in a thriller. Sexy, shocking, and tense with an ending I never saw coming. Jeneva Rose is the queen of twists. ” —Colleen Hoover, #1 New York Times bestselling author The highly anticipated new thriller from the USA Today and #1 bestselling author of The Perfect Marriage and One of Us Is Dead You ' ve opened up your house and your heart to a total stranger ... What could possibly go wrong? Grace Evans, an overworked New Yorker looking for a total escape from her busy life, books an Airbnb on a ranch in the middle of Wyoming. When she arrives at the idyllic getaway, she ' s pleased to find that the owner is a handsome man by the name of Calvin Wells—and he ' s eager to introduce her to his easygoing way of life. But there are things Grace discovers that she ' s not too pleased about: A lack of cell phone service. A missing woman. And a feeling that something isn ' t right with the ranch. Despite her uneasiness, the two bond and start to fall for one another. However, as her departure date nears, things change for the worse. What began as a playful romance soon turns into a complicated web of lies. Grace grows wary of Calvin as his infatuation for her seems to have morphed to obsession. Calvin fears that Grace is hiding something from him—including her reason for staying at his ranch to begin with. Vacation flings typically end in heartbreak, but for Grace and Calvin, it ' ll be far more destructive.

Mazda Video Program: Service Training: Rotary Engine Little, Brown Spark With its arrival in the United States in 1990, the Mazda Miata inspired the return of the open roadster. Though other makes and models followed, the Miata remains the convertible sports car of choice for budget-conscious

enthusiasts, as popular in autocross and amateur racing circles as it is among pleasure drivers. This book shows readers how to make the most of any Miata: what to look for in a used model and how to perform common maintenance and repairs, as well as over 15 projects to improve performance and appearance. Focusing on the engine, wheels and tires, suspension, body kits, interior, and more, the projects include full details on required parts, cost, time, tools, and skill necessary for completion. With easy-to-follow directions and clear illustrations, this handy guide is a virtual road map for taking the Miata the full distance.

IN YOUR LIGHT WE SEE LIGHT With Just SIX Words Your Prayers Can Attract Heaven's Attention! King David opened this treasure of knowledge with Psalm 36:9. When I learned to pray using these scriptures, my prayer life exploded. Victories came quickly when God's Light was unleashed! The power of praying for God's Light to be released is amazing. Likewise, praying for the ability to SEE what God is saying about your situation is also a game changer! Prayers that seemed delayed, were suddenly answered! Your faith will be strengthened as you read more about victories in finances, relationships, and family. You will be inspired to pray as you read about supernatural interventions. There are also encounters with angels and demons! Join the army of intercessors in this generation! "Let the redeemed of the Lord say so, Whom He has redeemed from the hand of the adversary." (Psalms 107: 2 AMP) The testimonies of answered prayers will ignite faith, hope, and desire. As a teenager, I saw powerful intercessors pray and miracles happen. I developed a strong desire to become such an intercessor. And I prayed for God to let me SEE what He was saying!

The Mazda Miata is one of the most popular sports cars on the road today. In production for more than 20 years, the Miata ' s popularity has grown, and the number of aftermarket components available to the Miata enthusiast has grown, too. This immense selection of parts has made it difficult for many

would-be modifiers to choose the proper combination that will help them reach the goals they have set for their two-seaters. Author and Miata expert Keith Tanner has been modifying, repairing, building, and racing Miatas for years, and he will guide you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it happen!

Technology is shaping our culture and controlling our lives--for better or for worse. Often, technology's benefits far outweigh its negative impacts, and technological advances can seem boundless. But the scientific-technological worldview tends to override other value systems. Indeed, this technological way of thinking has influenced many contemporary ideas, beliefs, values, habits, and ways of communicating. Furthermore, in addition to technology's well-known environmental impacts, social, aesthetic, and spiritual consequences are now emerging. How can we balance positive physical effects of technology with other ambiguous or negative impacts? Some of the decisions we face have no precedent from which to draw wisdom. For this reason, the resources of Scripture and the Christian tradition must be brought to bear on technological questions: How is technology used and abused today? Does technological progress lead to human progress? How can Scripture help us, both individually and collectively, to manage technology's impact in proactive ways? Swearingen uncovers a comprehensive scriptural mandate for managing technology. On his way to a theology of technology, he evaluates which advances are moving society in directions consistent with God's purposes. Beyond Paradise: Technology and the Kingdom of God aims to provide practical means for assessing technology's influence and for steering technology and its effects toward biblical ends.
