Science - Glencoe

Physical Science is broken into 3 main units:
Astronomy, Chemistry and Physics. The best
advice I can give to you is to budget your time
properly, don't wait until the last minute (the
night before) to get your work done.

Coordinate all your classes and the homework
required. It will be easy to fall behind and
difficult to catch up.

Physical Sciences investigate physical and
chemical phenomena. This is done through
scientific enquiry and the application of scientific
models, theories and laws in order to explain and
predict events in the physical environment.

Practical work in the Physical Sciences must be
integrated with theory to strengthen the concepts
being taught. These
