7 Full-Length MCAT Practice Tests: 5 in the Book and 2 Online Mometrix Media LLC

Did you know that the MCAT (and more importantly, your MCAT score) is one of the biggest determinants of whether or not you are going to get into medical school? Every year, we talk to students who underestimate the MCAT and do poorly, severely hindering their ability to get into medical school their first time applying. The Premed Playbook: Guide to the MCAT gives you the high yield information that you need to know so that you understand what to expect when registering for the MCAT, buying MCAT books and other prep material, looking at MCAT prep courses, finding your MCAT study group, and creating your studying plan. (Use the promo code in the book to save on Next Step's MCAT test prep materials too ) As soon as you know you have to take the MCAT, you need this book. With a solid plan to prep for the MCAT, you can take your application from something that may get overlooked to one that grabs the attention of admission committee members and gets you an interview and an acceptance. Expert Advice With over ten years experience in MCAT test prep, Next Step Test Prep helps half of all students taking the MCAT every year. Dr. Ryan Gray has been helping students on their journey to medical school through The MCAT Podcast, co-hosted by Next Step Test Prep, The Premed Years, and other podcasts and services at Medical School Headquarters.

Manhattan Prep's LSAT Logical Reasoning guide, fully updated for the digital exam, will teach you how to untangle Logical Reasoning problems confidently and efficiently. Manhattan Prep's LSAT guides use officially-released LSAT questions and are written by the company's instructors, who have all scored a 172 or higher on the official LSAT—we know how to earn a great score and we know how to teach you to do the same. This guide will train you to approach LSAT logical reasoning problems as a 99th-percentile test-taker does: Recognize and respond to every type of question Deconstruct the text to find the core argument or essential facts Spot—and avoid—trap answers Take advantage of the digital format to work quickly and strategically Each chapter in LSAT Logical Reasoning features drill sets—made up of real LSAT questions—to help you absorb and apply what you've learned. The extensive solutions walk you through every step needed to master Logical Reasoning, including an in-depth explanation of every answer choice, correct and incorrect.

OAT Practice Tests & Exam Review for the Optometry  
Admission Test McGraw-Hill Education

OAT Practice Questions are the simplest way to prepare for the OAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our OAT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our OAT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

6 Practice Tests + Strategies + Content Review Princeton Review

This packet of flashcards contains 150 all new discrete practice questions written by the MCAT developers. You get 25 questions in each of these six disciplines: Chemistry, biology, physics, psychology, sociology, and biochemistry. Each 5.5" x 4.25" card includes the correct solution and explanation. You also get a card with the periodic table and a card outlining the exam's foundational concepts and skills.

More people get into medical school with a Kaplan MCAT course than all major courses combined. Now the same results are available with Kaplan's MCAT General Chemistry Review.

This book features thorough subject review, more questions than any competitor, and the highest-yield questions available. The commentary and instruction come directly from Kaplan MCAT experts and include targeted focus on the most-tested concepts plus more questions than any other guide. Kaplan's MCAT General Chemistry Review offers: **UNPARALLELED MCAT KNOWLEDGE:** The Kaplan MCAT team has spent years studying every document related to the MCAT available. In conjunction with our expert psychometricians, the Kaplan team is able to ensure the accuracy and realism of our practice materials. **THOROUGH SUBJECT REVIEW:** Written by top-rated, award-winning Kaplan instructors. All material has been vetted by editors with advanced science degrees and by a medical doctor. **EXPANDED CONTENT THROUGHOUT:** While the MCAT has continued to develop, this book has been updated continuously to match the AAMC ' s guidelines precisely—no more worrying if your prep is comprehensive! **MORE PRACTICE THAN THE COMPETITION:** With questions throughout the book and access to one practice test, Kaplan's MCAT General Chemistry Review has more practice than any other MCAT General Chemistry book on the market. **ONLINE COMPANION:** Access to online resources to augment content studying, including one practice test. The MCAT is a computer-based test, so practicing in the same format as Test Day is key. **TOP-QUALITY IMAGES:** With full-color, 3-D illustrations, charts, graphs and diagrams from the pages of Scientific American, Kaplan's MCAT General Chemistry Review turns even the most intangible, complex science into easy-to-visualize concepts. **KAPLAN'S MCAT REPUTATION:** Kaplan gets more people into medical school than all other courses, combined. **UTILITY:** Can be used alone or with other companion books in Kaplan's MCAT Review series.
