There Is Hope for Every Child, Every Parent, and Every Family Parenting under the best of circumstances can be difficult. And raising children who have come to your home from "hard places," who have their own set of unique needs, brings even more challenges. You may have discovered that the techniques that worked with your birth children are not working with your adopted or foster child. Renowned child-development expert Dr. Karyn Purvis gives you practical advice and powerful tools you can use to encourage secure attachment in your family. You will benefit from Karyn's decades of clinical research and real-world experience. Coauthor Lisa Qualls demonstrates how you can successfully implement these strategies in your home, just as she did in hers. You will learn how to simplify your approach using scripts, nurture your child, combat chronic fear, teach respect, and develop other valuable tools to facilitate a healing connection with your child. The Connected Parent will help you lovingly guide your children and bring renewed hope and restoration to your family.

Imagine that there is a medication you could administer to your teens that would help regulate their moods, increase their sense of trust, and improve their overall brain function. Imagine, moreover, that it's free, has no negative side effects, and helps to boost the immune system. And it's available in an unlimited supply. It sounds too good to be true, but in You're Ruining My Life! Jennifer Kolari shows how her unique approach to parenting can have all these effects and more. Kolari's CALM technique is based on the therapeutic strategy of mirroring. Used regularly, it can strengthen the parent-child bond and build emotional independence. Kolari provides information, advice, sample conversations, and anecdotal examples to show how parents can turn what they have learned into everyday practices that help them to reconnect with their teens so they can spend more time enjoying each other—and less time at war.
