latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. **Popular Science Sourcebooks, Inc.** We've entered a new era of women in coaching. Women coaches across the globe have triumphed, using their expertise, experience, and sustained success to break down barriers and establish new standards of excellence in their coaching roles. *Winning Ways of Women Coaches* reflects this new

era. Some of the most exceptional women coaches in the world have contributed to this groundbreaking book, each examining a different coaching topic from her unique viewpoint. Representing 15 different sports—including professional football and baseball—and earning more than 50 national championships and dozens of world and Olympic titles, these coaching pioneers provide the acumen and inspiration to succeed in the coaching

profession: Lonni Alameda Rachel Balkovec Becky Burleigh Denise Corlett Melody Davidson Kelly Inouye-Perez Roselee Jencke Valorie Kondos Field Melissa Luellen Teri McKeever Missy Meharg Felecia Mulkey Carla Nicholls Carol Owens Carolyn Peck Ellen Randell Nancy Stevens Tara VanDerveer Amber Warners Jen Welter Edited by volleyball coaching legend Cecile Reynaud, PhD, the book equips current and aspiring women coaches with

innovative strategies and real-world insights to address common coaching challenges, build and maintain successful sport programs, foster player engagement and growth, and further their coaching careers. In addition, contributing coaches weave a common thread throughout the chapters by discussing the importance of building team chemistry and their own approaches to fostering a team culture. Whether you're searching for proven

coaching techniques, creative new approaches, or sage troubleshooting advice, *Winning Ways of Women Coaches* will prove to be your most valuable resource. After reading this book, you'll discover that it's your ability to instruct, develop, and care for your athletes—not just your knowledge of Xs and Os—that will propel your career and separate you from the rest. Showcasing women coaches who have reached the top of their profession and

embodying the idea of “If she can see it, she can be it,” *Winning Ways of Women Coaches* will reinvigorate current coaches and inspire would-be coaches to make the leap into coaching. *Barnacle Parp's Chain Saw Guide* Arcadia Publishing First published in 2006 and now with over 10,000 copies sold, this award-winning book on the worldwide history of the chainsaw will captivate all gadget fanciers, even if they've never had a chainsaw in their hands. Popular Science Human Kinetics Musician, composer,

producer: Brian Eno is a unique in contemporary music. Best known in recent years for producing U2's sensational albums, Eno began his career as a synthesizer player for Roxy Music. He has since released many solo albums, both rock and ambient, written music for film and television soundtracks, and collaborated with David Bowie, David Byrne, Robert Fripp, and classical and experimental composers. His pioneering ambient sound has been enormously influential, and without him today's rock would have a decidedly different sound. Drawing on Eno's own words to examine his influences and ideas, this book—featuring a

new afterword and an updated discography and bibliography—will long remain provocative and definitive. AMJ, Agricultural Machinery Journal "O'Reilly Media, Inc." On the night of February 18, 1952, during one of the worst winter storms that New England has ever seen, two oil tankers just off

the shore of Cape Cod were torn in half by the force of the storm. This middle-grade adaptation of an adult nonfiction book tells the story of the shipwreck and a harrowing Coast Guard rescue when four men in a tiny lifeboat overcame insurmountable odds and saved more than 30 stranded sailors.
This is a fast-paced, uplifting story that puts young readers in the middle of the action. It's a gripping story of heroism and survival with the same intensity as the bestselling book and movie *The Perfect Storm*. A Christy Ottaviano Book
