"Rarely do you come across a book that provides hands on practical advice in every chapter. Bill's real life experiences as an entrepreneur, CEO, and business broker leave the reader with a blueprint for business acquisitions. Ivory tower theory is not going to go a long way in an acquisition, one needs to get down in the trenches as Bill explains chapter by

chapter. Karl Fava, Principal, Business Financial Consultants Bill's polished style of writing reflects a common sense approach to buyer and seller concerns through the acquisition and divestiture process. A must read for first-time buyers and sellers of privately held businesses. Glenn Haddad, Corporate Trainer and Business Intermediary I couldn't recommend a more salient primer for persons interested in purchasing a business. Bill	Grunau distills the complexities of the purchase and sale of businesses into a plain English and common sense-format that will allow inexperienced buyers or sellers to confidently spot and navigate potential minefields in the transaction. Undoubtedly, the book can allow its reader to make better decisions ones that will lead to successful results, profitability and peace of mind! Thomas Lombardi, Founding Partner, Palmer, Lombardi, Donohue Law	Firm Learn the ins and outs of buying privately held businesses and take the first step to accomplishing your dreams and becoming a success in Own Your Future. William Grunau, a corporate executive and entrepreneur with decades of experience, explains how you, too, can become your own boss. In this comprehensive guide on owning your own future, you'll learn: How to finance an acquisition with Small Business Administration financing; How to
--	---	---

use your 401K or IRA funds to buy a business without penalties or taxes; How to write offers; How to conduct due diligence; How to develop a 100-day and first-year plan; How to develop an exit strategy; And much more!

Unveil the mystery and secrets behind how deals are really done that only the insiders know. With this book, the process is demystified with step-by-step practical examples, tools, and tips that are easy to follow and apply.

Whether you are ready to search for

the right business, obtain financing, or determine the value of what you want to buy, Grunau carefully guides you every step of the way. It's time to stop sitting on your hands; it's time to Own Your Future.

Own Your Future CRC Press

This book describes in much detail both how and why franchising works. It also analyses the economic tensions that

contribute to conflict in the franchisor-franchisee relationship. The treatment includes a great deal of empirical evidence on franchising, its importance in various segments of the economy, the terms of franchise contracts, and what we know about how all these have evolved over time, especially in the U.S. market. A good many myths are dispelled in the process. The economic

analysis of the franchisor-franchisee relationship begins with the observation that for franchisors, franchising is a contractual alternative to vertical integration. Subsequently, the tensions that arise between a franchisor and its franchisees, who in fact are owners of independent businesses, are examined in turn. In particular the authors discuss issues related to product quality control, tying arrangements,

pricing, location and territories, advertising, and termination and renewals. The Facts Visually Explained ABC-CLIO Based on the first half of the longtime market-leader BUSINESS LAW: TEXT AND CASES by Clarkson/Miller/Cross, this paperback text offers an affordable solution for the first course in a business law series, often a requirement for business majors. It delivers an ideal blend of classic

black letter law and contemporary cases. The text's strong student orientation makes the law accessible, interesting, and relevant, with cases that represent the latest developments. Is Franchising Right For You?
Why start a business from scratch when you can have a piece of the greatest expansion strategy ever conceived? Franchising is BIG and getting bigger in every sector—from restaurants and coffee chains to pet care and insurance. There is a franchise for everything and everyone. As a potential franchise owner, you can be in charge of your own success while being supported by a known brand.

Franchising gives you that ability, along with the satisfaction that comes only with building something that can last a lifetime and beyond. And, if you are successful, you eventually stop sweating the details and have the freedom to enjoy your life in a way that most around you cannot. In *The Franchisee Handbook*, franchise expert Mark Siebert walks you through the

process of vetting and buying a franchise, helps you ask the right questions of franchisors and yourself, and gives you the resources you need to decide if franchising is right for you. Siebert shows you how to do your homework before making what could be the greatest financial decision of your life. You will learn how to: Accurately assess the risks of buying a franchise

Determine if a franchise is a good fit for your personal goals Research and vet potential franchise opportunities Create a startup plan that meets your business goals Prepare your franchise for success Why dream about owning a franchise when you can take concrete steps to make it happen today? With The Franchisee Handbook as your guide, you have the power

in your hands to start your own franchise journey right now.

Buying a Franchise - Is it Right for Me?
