On My Way Home is part-memoir/part-inspiration and insights drawn from the author's life experiences to highlight the practicality and power of surrendering one's life to the government of biblical principles: faith, love, obedience to God's Word, and intimacy with God. At eighteen years old, Dencle's journey takes a sudden, dramatic turn, and what began as a normal summer day in tropical Jamaica, a few miles away from the world-famous Negril beach, ends with radical changes in the values and pursuits of this teenager. One question led to another, and before he could fully appreciate what was happening, Dencle walked past his friends, all the way to the front of the church, knelt down and responded to the question that had firmly captured his mind and commanded this profound immediate response. This marked the beginning of a life-long quest to know God and to dig into the promise of a real God for real people. In Part 1 of On My Way Home, we are given a front-row seat as we are allowed to examine the author's life and background. Then in Part 2, he takes us with him on a journey of exploration as his life is transformed by his discoveries of God's character and makes a convincing case

that we can have those same discoveries as well. On My Way Home simplifies the fundamentals of Christian living. The command to love the Lord and our neighbor, for example, is translated into a manageable slogan-"Love is primary, everything else is secondary"-that we can easily remember and apply to everyday situations, every point carefully explained so that the reader gets it. This book makes us feel like a life of faith and intimacy with God is right at our fingertips, ending with Dencle's glimpse of paradise and thoughts of home.

Inside Magazine

Chief Terry Myell and Lieutenant Commander Jodenny Scott are in that most precarious of military situations, a mixed marriage.

Enlisted and officer. It's unnatural. Terry and Jodenny have been assigned to duty on the planet Fortune, away from the huge ships that carry colonists from the wreckage of polluted Earth to clean new worlds across the galaxy. But there's another way besides spaceships to travel from world to world. A group within Team Space is exploring the Wondjina Spheres, a set of ancient alien artifacts that link places and times. Now those spheres have shut down and Team Space thinks that Terry and Jodenny are part of the key to make them work again—no matter how the two of them feel about it. They can volunteer, or be "volunteered." What the researchers can't anticipate is that the status quo, in which Team Space holds the monopoly on travel between worlds, is about to change. And as a result, Terry and Jodenny will be tested to their limits and beyond...
