For fans of Gary Soto and Matt de la Peña comes a tale of a contemporary Mexican-American family with a "spunky and imaginative heroine" (Publishers Weekly). Miata Ramirez is scared and upset. The skirt she brought to show off at school is gone. She brought her forklorico skirt to show off at school and left it on the bus. It's not just any skirt. This skirt belonged to Miata's mother when she was a child in Mexico. On Sunday, Miata and her dance group are supposed going to dance forklorico, or traditional Mexican folk dances; and that kind of dancing requires a skirt like the one Miata lost. It's Friday afternoon. Miata doesn't want her parents to know she's lost something again. Can she find a way to rescue the precious skirt in time? With its focus on family ties, friendship, and ethnic pride and includes an afterword from its acclaimed the author, *The Skirt* is a story that children everywhere will relate to and be inspired by, no matter their background. "A light, engaging narrative that successfully combines information on Hispanic culture with familiar and recognizable childhood themes....A fine read-aloud and discussion starter, this story blends cultural differences with human similarities to create both interest and understanding."—SLJ "Light, easy reading . . . offering readers a cast and situations with which to identify, whatever their own ethnic origins."—*The Bulletin* "Soto's light tale offers a pleasant blend of family ties, friendship and ethnic pride...[and Miata is] a spunky and imaginative heroine."—Publishers Weekly

THE STORY: Famous the world over, the often bizarre and ultimately heart-warming story of Scrooge, Bob Cratchit, Tiny Tim and the others needs no detailing here. Mr. Horowitz's adaptation follows the Dickens original scrupulously but, in bringing i Avancemos! Level 3 Simon and Schuster "A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's *The Great American Read* Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

DESTINOS is an innovative beginning Spanish program based on a 26-week television series premiering on PBS in the fall of 1992. The 52 half-hour shows of the series use the powerful appeal of a uniquely Hispanic genre -- the telenovela (soap opera) -- to make language and culture come alive. The situation and context of each episode introduce students to the basic structures, language

functions and vocabulary groups of Spanish that are then presented in the print materials. (Most grammar explanations and exercises are in the workbook/study guides.) This complete one-year course is designed to help students develop communicative proficiency -- listening, speaking, reading, and writing -- as well as cultural awareness in Spanish. The plot of DESTINOS is designed to engage student viewers from the very beginning. A wealthy Mexican patriarch, nearing the end of his life, reveals a secret he has kept from his family for many years. His revelation leads to some important questions that must be answered before he dies. Raquel Rodríguez, a Mexican-American lawyer, embarks on a search for those answers, a search that takes her to Spain, Argentina, Puerto Rico, and back to Mexico. Students and viewers can join in the search -- learning Spanish and about the rich and diversified cultural context in which it is spoken throughout the world.

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.
