Animal Farm is not told from any particular animal's perspective; properly speaking, it doesn't have a protagonist.

Rather, it is told from the perspective of the common animals as a group: we read, for example, that "[t]he animals were stupefied. . . .

Animal Farm tells the story of Farmer Jones's animals who rise up in rebellion and take over the farm. Tired of being exploited solely for human gain, the animals—who have human characteristics such as the power of speech—vow to create a new and more just society.
