Unique to
Government Matters,
the narrative tells
the story of the
making and
developing of our
distinctly American
Democracy. It not
only inspires

students to ask "Why are we the way we are?" but also gives them the knowledge and context they need to answer for themselves, "Why does it matter?" Government Matters' unique approach to the material and market-leading digital tools make this an ideal solution to course goals. Your course may be the only American Government course that your students takes. Make American Government matter while increasing student performance, student engagement, and critical

analysis skills. Government Matters , a first edition text is available with Government in Action, an educational, multiplayer game that provides personalized, experiential learning for students that demonstrates how the American Government really works. Also available is McGraw-Hill's LearnSmart , an adaptive questioning tool proven to increase content comprehension and improve student results. United States Government United States

Government Democracy in Action

This program provides a behind-the-scenes look at Washington never before available in any government program.

Democracy in Action, Presentation Plus! CD-ROM, Windows McGraw-Hill Humanities/Social Sciences/Languages

My goal in writing this book is to help you develop the knowledge, skills, and ideals you need to protect your own freedom; to keep democracy alive in the United States. In the pages that follow you will find information to help you better understand how the machinery of representative government works and why it sometimes does not work. You will have the chance to develop skills for making sound judgments about public policy and for taking

part in politics. And you will read about key principles of democracy such as majority rule with minority rights, free elections, and individual liberty. - A letter to students.
