¡ Buen viaje! Level 1, Writing Activities Workbook  
Carson-Dellosa Publishing

Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world settings. Con é ctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Con é ctate program ’ s distinctive approach is built around the following principles. Focused approach:

Con é ctate concentrates on what Introductory Spanish students can reasonably be expected to

learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Con é ctate ’ s reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Con é ctate. Active learning: Con é ctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Con é ctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations

---

and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Con é ctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Con é ctate ' s stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Con é ctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. \*Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and

### Easy Spanish Step-By-Step McGraw-Hill Education

A proven grammar-based approach that gets you communicating in Spanish with confidence, right away Easy Spanish Step by Step proves that a solid grounding in grammar basics is the key to mastering a second language. Grammatical rules and concepts are clearly explained in order of importance, and more than 300 verbs and key terms are introduced on the basis of frequency. Numerous exercises and engaging readings help learners quickly build their Spanish speaking and comprehension prowess.

### Viva el español! McGraw-Hill Education

The Cuaderno de actividades (Workbook/Laboratory Manual) to accompany Tu mundo links culture to the main text and to students' lives. Both the Escríbelo tú and the

Conexión cultural sections are introduced in the Tu mundo main text and fully explored in the Cuaderno, thus offering exciting cultural content linked to the Spanish-speaking world. The Cuaderno addresses writing, listening comprehension, speaking, and reading practice: writing activities integrate and reinforce the content presented in the corresponding chapter of the main text; an interactive blog where the characters from Amigos sin Fronteras post comments on current events serves as a springboard for student and teacher written participation; and Enlace auditivo which includes two listening segments that include dialogues, ads, and announcements.
