Discovering Our Past: A History of the United States Student Edition (print only) McGraw Hill Professional NEW YORK TIMES BESTSELLER • A groundbreaking history of 175 years of American education that brings the lessons of the past to bear on the dilemmas we face today—and brilliantly illuminates the path forward for public schools. “[A] lively account.” —New York Times Book Review In The Teacher Wars, a rich, lively, and unprecedented history of public school teaching, Dana Goldstein reveals that teachers have been embattled for nearly two centuries. She uncovers the surprising roots of hot button issues, from teacher tenure to charter schools, and finds that recent popular ideas to improve schools—instituting merit pay, evaluating teachers by student test scores, ranking and firing veteran teachers, and recruiting “elite” graduates to teach—are all approaches that have been tried in the past without producing widespread change.

McGraw-Hill's 500 U.S. History Questions, Volume 1: Colonial to 1865: Ace Your College Exams McGraw-Hill Education

Connect students to the stories of history. Connect students to the experience of history. Connect students to success in history. At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. Experience History is a direct result of this. Experience History is also a first in American History. Its groundbreaking adaptive diagnostic and interactive exercises paired with its lively narrative and engaging visuals create a unique teaching and learning environment propelling greater student success and better course results. Instructors gain better insight into students' engagement and understanding as students develop a base of knowledge and construct critical thinking skills. Gripping stories keep students turning the page while the adaptive diagnostics for each chapter and a personalized study plan for each individual student help students prepare for class discussions and course work while enjoying increased course success. Experience History emphasizes that history is not just a collection of proven

facts, but is "created" from the detective work of historians examining evidence from the past. Providing the interactive environment that only an integrated solution can provide, Experience History gives students the opportunity to examine primary sources and explore specific periods and events. This leads to greater understanding as well as the building and practicing of critical thinking skills. As students uniquely experience American History, Experience History propels students to greater understanding while achieving greater course success. Give students an experience. Improve course participation and performance. Experience History, and experience success.

with complete explanations for every question 30 top test items to remember on exam day A step-by-step review of important people and events in United States history Teacher-recommended tips and strategies to help you raise your score McGraw-Hill's 15 Practice SAT Subject Tests McGraw-Hill Education Based on Bentley and Ziegler's best-selling, comprehensive survey text, *Traditions & Encounters: A Brief Global History* provides a streamlined account of the cultures and interactions that have shaped world history. An effective part structure organizes developments into seven eras of global history, putting events into perspective and creating a framework for cross-cultural comparisons, while the strong themes of traditions (the formations and development of the world's major societies) and encounters (cross-cultural interactions and exchanges) bring focus to the human experience and help turn the giant story of world history into something more manageable. With an engaging narrative, visual appeal, extended pedagogy, and a strong emphasis on critical thinking, this concise version offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike.

5 Steps to a 5: AP U.S. History 2021 McGraw Hill Professional

GLOBAL AMERICANS speaks to an increasingly diverse population of students who seek to understand the place of the United States in a shifting global, social, cultural, and political landscape. America's national experience and collective history have always been subject to transnational forces and affected by global events and conditions. In recognition of this reality, this insightful new text presents a history of North America and then the United States in which world events and processes are central rather than colorful sidelights. The narrative recovers the global aspects of America's past and helps students understand the origins of the interconnected world in which they live. By weaving together stories, analysis, interpretation, visual imagery, and primary sources from across time and place, this book presents a revised history that reflects America's -- and Americans' -- relationship to events and peoples across the continent and beyond. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Traditions & Encounters McGraw Hill Professional

Specifically designed to help your Advanced Placement students prepare and succeed in achieving a high score on the AP Exam, this three-part guide works together with the core text *American History: A Survey*, to provide
