Learning
With powerful computer-
based exercises, lab
simulations and in-depth

remediation capabilities, LabConnection provides a uniquely integrated supplement to hands-on networking courses, and can be used both as a virtual lab and homework assignment tool. LabConnection supports Cengage Learning's MCTS Guide to Microsoft Windows Server 2008 Applications Infrastructure Configuration (exam #70-643) textbook and MCTS Certification Exam #70-643, and offers remediation towards both. LabConnection, by dti Publishing, is a system that enables exercises and labs to be embedded within the curriculum and instruction. The system is designed for instructor led learning but can also be built into a distance learning course. The standalone DVD version allows use of the

simulation product without the necessity of online access. LabConnection is also available as online and institutional versions, with full learning management capabilities.

DtiMETRICS Printed Access Card John Wiley & Sons LabConnection provides powerful computer-based exercises, simulations, and demonstrations for hands-on skills courses such as this. It can be used as both a virtual lab and homework assignment tool, and provides automatic grading. LabConnection maps directly to the textbook and provides remediation to the text and to the 70-680 exam objectives. Features: Enhanced Comprehension: Through the

LabConnection labs and guidance, while in the virtual lab environment, the student develops skills that are accurate and consistently effective. Exercises: Includes dozens of exercises that assess and prepare the learner for the virtual labs, establishing and solidifying the skills and knowledge required to complete the lab. Virtual Labs: Labs consist of end-to-end procedures performed in a simulated environment where the student can practice the skills required of professionals. Guided Learning: LabConnection allows learners to make

mistakes but alerts them to errors made before they can move on to the next step, sometimes offering demonstration as well. Video demonstrations: Instructor-led video demonstrations guide the learners step by step through the labs while providing additional insights to solidify the concepts. SCORM Compliant Grading and Record Keeping: LabConnection will grade the exercises and record the completion status of the lab Portion, easily porting to and compatible with distance learning platforms.
