worldwide drug smuggling caper. With the aid of Reserve K-9 Butch; F.B.I.; D.E.A.; U.S. Marshalls and Interpol Agents, our local detectives solve one of the most bizarre cases ever encountered by our department. They are responsible for breaking up the largest and longest running drug smuggling operation ever encountered. Wanna be a detective and help Butch find Sam McHarold? When you come across a clue, highlight the clue. Gather the evidence and try to answer the questions at the end of each chapter. You may find that each

chapter may provide more questions than answers, but don't worry, if you gather enough clues, you will be able to answer the questions as the story continues. The Key Note Del Rey This collection of prank Craigslist ads and the real email exchanges that followed is the perfect gift for fans of offbeat humor. When New York City copywriter Kelly Mahon started posting fake gig ads online as a creative outlet, she was surprised to find that there was someone interested in every bizarre job offer she dreamed up. Race Me in a Lobster Suit collects Mahon's funniest posts, along with the improvised email exchanges with

would-be cocoon knitters and lobster racers. Some correspondents became suspicious, while others seemed willing to play along. The result is good-natured comedy gold and a kind of collaborative entertainment that could only exist in the internet gig economy. Irreverent illustrations by cartoonist Graham Annable (creator of the Harvey Award nominated Grickle comics) ensure that this small book offers outsize laughs. A quick, hilarious read, Race Me in a Lobster Suit is perfect for anyone who needs a bit of absurdity to brighten their day. Telephony First Edition Design Pub. In Missing Dad 2: Twisted, Joe and

girlfriend Becks are precipitated back into the criminal underworld where his secret agent father disappeared. And where Monsieur, the one man who could lead Joe to his father, has vanished. On a half term trip to the South of France, Joe and Becks have a terrifying encounter with their old enemy, drugs baron Bertolini – and with a teenager who looks startlingly familiar. They learn from Monsieur that this is his son, Arnaud, lost to him and in the clutches of Bertolini and a deadly cocaine habit. Determined to try and get Monsieur 's son back to him, Joe and Becks have to go into

hiding in a safe house in Bristol provided by Monsieur. But the dark tentacles of Bertolini 's empire reach out to Joe again when he receives an offer: Monsieur 's son will be sent back to him if Joe returns to his old job as the drug gang 's driver. Joe has made his decision when suddenly Arnaud bursts back into their lives – desperately ill as he weans himself off the cocaine, and on the run from Bertolini. They put Arnaud on a plane for the South of France but are seen by Bertolini 's mob, kidnapped and taken to the drug baron 's mountain hideaway in Corsica. As Joe

and Becks call on all their wits and courage to deal with the gun-toting Bertolini and his crew, the action ramps up from a moonlit battle on horseback on the French Camargue, to a breathtaking fight to the finish in the Corsican mountains – and confirmation that Joe 's father is still alive... Missing Dad 2: Twisted is a heart-stopping thriller that will appeal to new and old fans of the Missing Dad series alike. It is suitable for young adults aged 12+. Things are spiraling out of control, and Fray is caught up on the wrong side of a bad situation. In the midst of the storm, Charlie found one good thing that gave her hope, while Fray fell into a situation that he didn't know he needed. They both have opened themselves up to the possibility of a new beginning, but life keeps getting in the way. Will Hawk finally get the revenge that he's been looking for, or will Charlie be able to step up and ride for the one who unexpectedly stole her heart? Tek is feeling an all time high as he partners up with a mystery woman who could

potentially help him secure a major deal. Because of his new partnership, Yaz finds herself out on the streets and at her lowest point. This low point makes her realize that she has to do better for herself, but she has burned so many bridges that she doesn't have anyone in her corner. As fate would have it, Yaz finds support and friendship in the unlikeliest place, and she must separate her feelings in order to regain control of her dysfunctional life. Too bad those around her don't believe that she has any redeeming qualities, or do they? Will Charlie and Fray get to explore their connection or are his

days numbered? Will Yaz get to prove that she can be a better person, or will it all be in vain? Part two exposes new secrets as well as new faces and budding relationships. The journey has just begun, and there's so much to be discovered. Love, lies, and betrayal definitely play out as this story unfolds, and the key players have to choose sides and choose wisely. The wrong move could be deadly. The stakes are at an all time high, but that's to be expected when you're Ridin' With The Realest! The Holy Bible, Containing the Old and New Testaments

The Case of Missing Person Sam McHarold LifeRich Publishing Remarkable studies in the New Testament have recovered the fact that the gospel, the good news of Jesus Christ, was

apocalyptic good news—God ’ s redemptive action within history. Today, for more and more people, the sheer scope of an evolutionary universe renders life on Earth as utterly insignificant, religion as nothing more than superstition. And now, in the Anthropocene, we on the pale blue dot live in an apocalyptic age in which cataclysmic issue after cataclysmic issue threaten the future of the planet. The faith of the early church was in an apocalyptic cosmic Christ unleashing within history God ’ s good news of a new creation. Set within the world as

we now know it, this gives meaning to the cosmos and life wherever it is found around any star. Screened from view for over a millennium during mission to non-apocalyptic cultures, now is the time for a new paradigm for church, the “ apocalyptic church ” for an apocalyptic age to replace the denominational church. What a difference this makes to faith, worship, and the role of the church in an apocalyptic future. A thrilling new Victorian-era urban fantasy for fans of Kevin Hearne 's Iron Druid Chronicles, the Showtime series Penny Dreadful, and the Sherlock Holmes movies featuring Robert Downey, Jr. With a flood of dark magic about to engulf Victorian London, can a handful of heroes vanquish a legion of the undead? When monster-hunter Malcolm MacFarlane comes across the gruesome aftermath of a ritual murder in a London church, he enlists the help of magician-scribe

Simon Archer and alchemist extraordinaire Kate Anstruther. Studying the macabre scene, they struggle to understand obscure clues in the ancient Egyptian hieroglyphics carved into the victim 's heart—as well as bizarre mystical allusions to the romantic poetry of William Blake. One thing is clear: Some very potent black magic is at work. But this human sacrifice is only the first in a series of ritualized slayings. Desperate to save lives while there is still time, Simon, Kate, and

---

Malcolm—along with gadget geek Penny Carter and Charlotte, an adolescent werewolf—track down a necromancer who is reanimating the deceased. As the team battles an unrelenting army of undead, a powerful Egyptian mummy, and serpentine demons, the necromancer proves an elusive quarry. And when the true purpose of the ritual is revealed, the gifted allies must confront a destructive force that is positively apocalyptic. Praise for *The Undying Legion*

[A Cycle of Life](#) Redemption Press Both a far-removed place of refuge for the fringe of society and a high-status vacation destination, the Keys remain a legendary yet fragile place, still threatened by a human-made disaster, the 2010 Deepwater Horizon oil spill. Likewise, Key West, Florida, can be many things to many people, evoking laidback Margaritaville for

some and Ernest Hemingway for others. In this mixture of memoir, travel writing, philosophical reflection, natural and cultural history, and meditation on language, Sean Morey wrestles with the varied and often contradictory nature of his hometown. Morey turns a sharp eye inward, teasing out the layers of natural and cultural developments that have shaped the Keys for both millions of years and the past few decades. He asks: What does it take for humans to accept our impact

---

on Earth and, more importantly, what will move humans to take action to reverse adverse impacts? The answer, Morey posits, lies in imaginative thinking—in building connections between locations and individual interests and backgrounds to create a foundation for widespread ecological ethics. In *Network of Bones*, Morey guides readers through different images of Key West and connects them to global environmental issues, including

overfishing, rising sea levels, and polluted oceans. Morey's writing stimulates memory and invites engagement with the world as he shows us how learning about one place—no matter how specific and eccentric that place might be—can teach us about all other places. It's just a matter of imagination. The author's proceeds from the sale of this book will benefit Coastal Conservation Association Florida. The Federal Reporter We come in to this
