fact that the gospel, the good news of Jesus Christ, was apocalyptic good news—God's redemptive action within history. Today, for more and more people, the sheer scope of an evolutionary universe renders life on Earth as utterly insignificant, religion as nothing more than superstition. And now, in the Anthropocene, we on the pale blue dot live in an apocalyptic age in which cataclysmic issue after cataclysmic issue threaten the future of the planet. The faith of the early church was in an apocalyptic cosmic Christ unleashing within history God's good news of a new creation. Set within the world as we now know it, this gives meaning to the cosmos and life wherever it is found around any star. Screened from view for over a millennium during mission to non-apocalyptic cultures, now is the time for a new paradigm for church, the "apocalyptic church" for an apocalyptic age to replace the denominational church. What a difference this makes to faith, worship, and the role of the church in an apocalyptic future. The Key Note XinXii A thrilling new Victorian-era urban fantasy for fans of Kevin Hearne's Iron Druid Chronicles, the Showtime series Penny Dreadful, and the

Sherlock Holmes movies featuring Robert Downey, Jr. With a flood of dark magic about to engulf Victorian London, can a handful of heroes vanquish a legion of the undead? When monster-hunter Malcolm MacFarlane comes across the gruesome aftermath of a ritual murder in a London church, he enlists the help of magician-scribe Simon Archer and alchemist extraordinaire Kate Anstruther. Studying the macabre scene, they struggle to understand obscure clues in the ancient Egyptian hieroglyphics carved into the victim ' s heart—as well as bizarre mystical allusions to the romantic poetry of William Blake. One thing is clear: Some very potent black magic is at work. But this human sacrifice is only the first in a series of ritualized slayings. Desperate to save lives while there is still time, Simon, Kate, and Malcolm—along with gadget geek Penny Carter and Charlotte, an adolescent werewolf—track down a necromancer who is reanimating the deceased. As the team battles an unrelenting army of undead, a powerful Egyptian mummy, and serpentine demons, the necromancer proves an elusive quarry. And when the true purpose of the ritual is revealed, the gifted allies must confront a destructive force that is positively apocalyptic. Spiritual Renewal

This book drives the reader in a deliberately contorted maze of freethinking. Much like the tunnel of miracles, it is full of unexpected stories, ideas, colors, and free speech, turning the political correctness principle in political directness delivery. The secret aim is to make the reader that finishes the book smile and think, What a ride!
