No, David! Penguin

Discover the story of one teenager's struggles with OCD and Tourette's Syndrome-and how he was able to overcome extraordinary setbacks. Cory Friedman knows how it feels to have a body that won't stop moving, to be really different from everyone else, to be made fun of every day, to be totally reckless, to never relax, to be shut out of

everything, to break free and take control. James Patterson's *Against Medical Advice* riveted adults with the page-turning drama of one teenager's courage, sacrifice, and triumph in confronting an agonizing medical condition. Now this deeply personal account of Cory Friedman's intense struggles with Tourette's Syndrome and Obsessive Compulsive Disorder-as well as depression, anxiety, and alcohol addiction-is available for teen readers.

James Patterson by James Patterson Simon and Schuster For Alex Cross, the toughest cases hit close to home-and in this deadly thrill ride, he's trying to solve the most personal mystery of his life. When his cousin is accused of

a heinous crime, Alex Cross returns to his North Carolina hometown for the first time in over three decades. As he tries to prove his cousin's innocence in a town where everyone seems to be on the take, Cross unearths a family secret that forces him to question everything he's ever known. Chasing a ghost he believed was long dead, Cross gets pulled into a case that has local cops scratching their heads and needing his help: a grisly string of socialite murders. Now he's hot on the trail of both a brutal killer, and the truth about his own past-and the answers he finds might be fatal.

The Diving Bell and the Butterfly
Delacorte Press
Cory Friedman was an

ordinary fun-loving little boy. But one fateful March morning in 1989, the course of Cory's life changed dramatically. It started with an irresistible urge to shake his head; before long, overtaken by physical urges, tics and compulsions, his body became a volatile, explosive and unpredictable force. Cory had developed a rare combination of Tourette's syndrome, obsessive-compulsive disorder, anxiety disorder and other neurological conditions. The life he knew had been torn apart and his family were left watching him suffer. Desperate to help and hopeful of a cure, they embarked on a fifteen-year struggle which took them beyond breaking point.

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE 'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review •

People • NPR • The Washington Post • Slate • Harper 's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade 's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi 's transformation from a na ï ve medical student “ possessed, ” as he wrote, “ by the question of what, given that all organisms die, makes a virtuous and meaningful life ” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “ I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and

everything, ” he wrote. “ Seven words from Samuel Beckett began to repeat in my head: ‘ I can 't go on. I ' ll go on. ’ ” When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

The Fall of Crazy House
Penguin

New York Times Bestseller

"There is no writer quite like Dolly Alderton working today and very soon the world will know it. ” —Lisa Taddeo, author of #1 New York Times bestseller *Three Women* “ Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It 's a beautifully told journey and a thoughtful, important book. I loved it. ”

—Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* and *City of Girls* The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate

friendships, jobs, loss, and love along the ride. When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. Everything I Know About Love is about bad dates, good friends and—above all else—realizing that you are enough. Glittering with wit and insight, heart and humor, Dolly Alderton's unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like Bridget Jones' Diary but all true, Everything I Know About Love is about the struggles of early adulthood in all its terrifying and hopeful uncertainty. The Man Who Was Never Knocked Down Little, Brown

A triumphant memoir by the former editor-in-chief of French Elle that reveals an indomitable spirit and celebrates the liberating power of consciousness. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only

intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life. *Stiff: The Curious Lives of Human Cadavers* HarperCollins Two teenage girls claim that they are pregnant virgins. But only one is carrying the child of Christ . . . and the other will deliver the son of Satan. In Boston, seventeen-year-old Kathleen is pregnant, but she swears she's a virgin. In Ireland, another teenage girl, Colleen, discovers she is in the same impossible condition. Cities all around the world are suddenly overwhelmed by epidemics, droughts, famines, floods, and worse. As terrifying forces of light and darkness begin to gather, Kathleen and Colleen find themselves at the center of the final battle for the very soul of humanity. Each of the girls must convince a young detective that she is the true mother of God . . . and that the other is carrying the devil. The stakes couldn't be higher in this page-turning thriller. You won't be able to put it down until the final reveal: which baby is the miracle . . . and which the monster? *The Price We Pay* Crown #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York

Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “ Wise and wildly entertaining . . . permeated with light, wit, youth. ” —The New York Times Book Review “ A classic that we will read for years to come. ” —Jenna Bush Hager, Read with Jenna book club

“ Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope. ” —Bill Gates

“ A real joyride . . . elegantly constructed and compulsively readable. ” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of

view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “ Once again, I was wowed by Towles ’ s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero ’ s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel. ” — Bill Gates

Cradle and *All Bloomsbury Publishing* From the creator of the popular website *Ask a Manager* and New York ’ s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There ’ s a reason Alison Green has been called “ the Dear Abby of the work world. ” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don ’ t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may

need to have during your career. You ’ ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “ reply all ” • you ’ re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate ’ s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “ A must-read for anyone who works . . . [Alison Green ’ s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work. ” —Booklist (starred review) “ The author ’ s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers ’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience. ” —Library Journal (starred review) “ I am a huge fan of Alison Green ’ s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do

so with grace, confidence, and a sense of humor. ” —Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “ Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way. ” —Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* Beautiful Disaster Signed Limited Edition American Bar Association
#1 NEW YORK TIMES BESTSELLER • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. Don't miss the #1 New York Times bestselling prequel, *Family of Liars*. A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. “Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable.” —John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

Getting your head around the brain Little, Brown
Winner of the National Book Critics Circle Award for Nonfiction, this brilliantly reported and beautifully crafted book explores the clash between a medical center in California and a Laotian refugee family over their care of a child.
Model Rules of Professional Conduct Random House
NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword covering her trial and sentencing, bringing the story to a close. “ Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection. ” —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “ unicorn ” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed

by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes ’ s worth at an estimated \$4.5 billion. There was just one problem: The technology didn ’ t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.
A Knock at Midnight Vintage
NEW YORK TIMES BESTSELLER • Pierce Brown ’ s relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender ’ s Game* by Orson Scott Card. “ Red Rising ascends above a crowded dystopian field. ” —USA Today
ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness “ I live for the dream that my children will be born free, ” she says. “ That they will be what they like. That they will own the land their father gave them. ” “ I live for you, ” I say sadly. Eo kisses my cheek. “ Then you must live for more. ” Darrow is a Red, a member of the

lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising " [A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The Hunger Games, Lord of the Flies, and Ender's Game. . . . [Red Rising] has everything it needs to become

meteoric. " —Entertainment Weekly " Ender, Katniss, and now Darrow. " —Scott Sigler " Red Rising is a sophisticated vision. . . . Brown will find a devoted audience. " —Richmond Times-Dispatch Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER Bring Up the Bodies Grand Central Publishing Stopping the spiral of toxic thoughts. The best series since The Hunger Games just got better: Escape is just the beginning in this dystopian story of two fearless sisters who must defeat a powerful regime -- or risk becoming what they despise. Twin sisters Becca and Cassie barely got out of the Crazy House alive. Now they're trained, skilled fighters who fear nothing -- not even the all-powerful United regime.

Together, the sisters hold the key to defeating the despotic government and freeing the people of the former United States. But to win this war, will the girls have to become the very thing they hate? In this gripping sequel to James Patterson's New York Times bestselling YA blockbuster Crazy House, the

world is about to get even crazier.

Have you ever wondered how it's possible to walk down a street, with your thoughts on what you're going to have for lunch? What's telling your legs to move while your mind is on other things? And how are you reading these words right now?

The simple answer: it's your brain. Often a complex subject to tackle, this book has been written with the first-time learner in mind to guide the reader through the physiological basis of the brain-behaviour link, exploring such fascinating topics as sensation, memory and emotion. This book has been designed to offer an easy and comprehensive read for students in need of an introductory text to the various faculties and functions of the brain and an explanation of how these are central to actively producing human behavior. Apt for undergraduate students studying biological psychology and neuroscience wanting to consolidate their understanding of the brain.
