With some 2,500 practice questions and customized online tests, Elsevier's Medical Assisting Exam Review, 5th Edition provides complete preparation for all six certification exams – the CMA, RMA, CMAS, CCMA, CMAA, and CMAC. An illustrated, outline format makes it easy to review key medical assisting concepts and competencies, including anatomy and physiology, medical terminology, diseases and disorders, and administrative and clinical tasks. Written by medical

---

assisting educator Deborah Holmes, this review includes answers and rationales for each question to help you strengthen any weak areas and prepare effectively for your certification exam. UNIQUE! Six certification exams are covered: the CMA (AAMA), RMA (AMT), CMAS (AMT), CCMA (NHA), CMAA (NHT), and CMAC (AMCA). Convenient, easy-to-follow outline format provides at-a-glance review of the subject areas typically found on certification exams for Medical Assisting. Complete test preparation includes three pretests – administrative, clinical, and general – as well as a comprehensive posttest, with answers and rationales for all questions. Study tips and test-taking strategies provide advice and insight into preparing effectively

for your certification exam. Hundreds of additional practice questions are included on the Evolve companion website, along with flash cards and A&P animations, to boost your exam readiness and test-taking confidence. NEW! 2,500 questions – including 550 all-new questions – include answers, rationales, and mapping to six exam blueprints (CMA, RMA, CMAS, CCMA, CMAA, and CMAC). NEW content includes coverage of the Affordable Care Act, ICD-10, electronic office systems, vaccination updates, and more. NEW! Online test generator allows you to focus your practice on any topic and to create timed simulated exams. NEW! Records Management chapter tackles both paper management and Electronic Health Records, emphasizing the most up-to-

date electronic ways to manage records. UPDATED! High-quality illustrations reinforce your understanding of medical assisting content and include photos of clinical equipment and supplies.

Think all CMA study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be

---

ready. You don't want to waste time ensuring that you master the - and money! - having to study all material. Best of all, we show you over again because you didn't get effective studying in. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the Certified Medical Assistant exam, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the CMA Exam...and they get a variety of results. Trivium Test Preps CMA Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the Certified Medical Assistant exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CMA exam study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and fully-explained example questions to

ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; CMA practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.
