MEDICAL FIRST AID GUIDE - sbs-on-web.com | 1pdf.net

So, I read about basic first aid on sites like WebMD, the Mayo Clinic, and the Red Cross. I pulled out the survival pocket guide and first aid cards from my 72-hour kit, and I studied. It was important that I focused on the essential, life-saving skills first if anyone in my family encountered life-threatening emergencies.

International Medical - World Health Organization

If blood soaks through, add more gauze, keeping the first layer in place. Continue to apply pressure. It is important to have a first aid kit available. Keep one at home and one in your car. It should include a first-aid guide. Read the guide to learn how to use the items, so you are ready in case an emergency happens.
