PREFACE. The field of medical sociology has undergone considerable change since the first edition of this textbook appeared in 1978. At that time, much of the research in medical sociology was dependent

upon the sponsorship of physicians, and a clear division of labor existed between sociologists working in academic departments in universities and those working in health institutions. Medical Sociology 12th Edition by Cockerham Test Bank ...

Dr. Cockerham has published numerous peer-reviewed papers in academic journals and is author or editor of fourteen books. His most recent books published by Pearson include Medical Sociology, 12 th edition (2012) and the Sociology of Mental
