Assistants, Pharmacists, and Midwives . Medical Sociology / Edition 12 by William C. Cockerham ...

The major objective of this best-selling book since its inception has been to introduce the medical sociology by reflecting the most recent and relevant ideas, concepts, themes, and research findings in the field.The Seventh Edition continues this approach with coverage of self-care, the evolution of medical practice, the dramatic decline of the professional power of physicians, the aftermath ...

MEDICAL SOCIOLOGY

PREFACE. The field of medical sociology has undergone considerable change since the first edition of this textbook appeared in 1978. At that time, much of the research in medical sociology was dependent upon the sponsorship of physicians, and a clear division of labor existed between sociologists working in academic departments in universities and those working in health institutions.
