The envisaged law will have revised and increased punishment for

some other offences to make it more stringent than the existing law. Very few instances of punishment.

Surprisingly, examples of awarding 10-year rigorous jail terms by the court for drug adulteration in Bangladesh are very few so far.

Medical law is a fascinating field of
study as advances in medical
research and new technologies shift
the boundaries of medicine. New
health issues are emerging and
patient rights are increasingly
taking centre stage.

The withdrawal of protection or
support; in medicine, to
discontinue medical care
without proper notice after
accepting a patient. Act The
formal action of legislative body;
a decision or determination of a
sovereign state, a legislative

council, or a court of justice.
