mainly used
percussion
instruments in dance
music. As with many
early music
instruments,
percussionists
derived their
instruments from a
variety of materials.
Therefore, each
percussion instrument
was unique to its
individual designer.

Medieval music is simply
defined as western music
written during the medieval
period, which began after the
fall of the Roman Empire in
the 5th century. The

influences of medieval music
spread throughout Europe up
until the early 15th century.
However, it was in the 12th
century when the medieval
repertory actually began.

 Medieval and Renaissance Music - Early Music Resources
 The Medieval period of music chronologically precedes the Renaissance. It covers a tremendously long period of musical history from the fall of the Roman Empire (around 400AD), through to the early Renaissance that begins in the 15 th Century. The Renaissance period then takes up the musical torch and runs from approximately 1450 – 1600.
[Medieval and Renaissance music | History Forum](#)
 Renaissance music is vocal and instrumental music written and

performed in Europe during the Renaissance era. Consensus among music historians has been to start the era around 1400, with the end of the medieval era, and to close it around 1600, with the beginning of the Baroque period, therefore commencing the musical Renaissance about a hundred years after the beginning of the Renaissance as it is understood in other disciplines. Music was increasingly freed from medieval constraints, and more
