Meet Samantha, another one of my favorite American girls! All four of the original girls are a favorite with me. I read Kirsten, Samantha, Molly, and Felicity's books cover to cover repeatedly.

These girls represent a magical time in my life. I was transported to different places and times with just the turning of a page.

Meet Samantha is the story of a wealthy Victorian orphan who befriends a girl in the servant class.

While being fiction, the book closely is tied to the time that it was written about. In the United States, there were still social classes. Girls of the Upper class were to never socialize with

girls of the lower class.
