Runaway Heiress Zondervan

One wouldn't expect a sexy-as-sin rocker like Eli Renard to spend time with a woman just as a friend, but that's exactly what Emersyn Wallace is to him. Just a friend. Even though she's matured into a beauty, Eli still doesn't remotely see his childhood pal as a sex-object. When tragedy brings her back into his world, Eli moves mountains to help Emersyn get back onto her feet by finding her a job as a backup singer for Jacob's Ladder. At first, Eli is thrilled that Emersyn is along on tour, and he sets out to do his best to help her forget her sorrow through a range of crazy friend dates. But after spending so much time with her in such close quarters, Eli finds his feelings beginning to shift. He no longer sees Emersyn as the once awkward young girl he played some of

his first songs with. Soon it's not only his body that reacts to her, but it's also his heart. He's about to learn what a dangerous game it is to dry a widow's tears. After losing her husband and singing partner in a tragic accident, Emersyn Wallace spent the last eight months drowning in a sea of grief. With the bills piling up and her family and friends concerned about her emotional welfare, she reluctantly agrees to join the Jacob's Ladder's tour. That's What I'd Do Melody of the Heart Told in flashbacks from the present to the past, Brayden and Lily share the story of their unbreakable love. Melody of the Heart

Every master was once a student - every woman was once a child ... What makes a person forget their entire identity? What makes them become someone else? What makes them desire pain ... control ... and ultimately pleasure? It's not anything that happens overnight, over even in a few weeks. Tragedy beyond what a human can possibly imagine will forever alter Mary's future. Mary's life is boring, conservative and typical. She wants adventure, thrills and so much more. But she will soon learn to be careful what to wish for when she's taken against her will and thrust into the twisted world of a powerful man who doesn't care if she lives or dies. When Mary starts becoming Elena, she does find a savior, but is he truly the person who will protect her, or will he be the one to escort her straight into the pits of hell? Forgetting who she is or where she belongs, she learns she can trust no one, rely on only herself, and fall further than she ever thought possible. She

will become someone else and the cycle will begin. She will become the person who will eventually change the life of so many others. Some might say the change is good, the violence is necessary. And some will cry for this tragedy that should have been stopped. Just when you think you know how it all came about, how it will end, you will be floored again by who can be trusted ... and who can't. Note from the author: This book isn't anything like what I've written before. I had a dream, the opening scene of this book, actually. And I woke up and lay there for a while, and still couldn't push it away, so I got up, wrote the first chapter. Then I lay back down and was back out of bed within fifteen minutes, where I gave up on sleep and sat at my computer all night and all the next day until my eyes wouldn't stay open anymore. Then for the next week, all I did was eat and sleep (minimally) and the first draft was born. I was so emotionally drained from it, I put it away for a month, and then came back to it and went back into the world of Elena. My question was, what makes someone enter into a lifestyle of BDSM? What makes them enjoy pain? Enjoy being degraded? Then I realized, it's not a matter of enjoyment necessarily. It's a matter of your world spinning out of control. And this is a way to ground yourself. Elena has become so special to me. The first book is tragic and I cried several times while writing it. The second book, she starts to find herself, and in the third book ... well, the third book leaves your mouth hanging open. I hope you enjoy this journey with me. It's been an emotional one. This book is intended for mature audiences only. There are explicit scenes of abuse, language and questionable sexual situations. Eighteen and older only. This story is about a woman so abused she turns into a person most wouldn't even fathom becoming.

Out of My Mind Katie Ashley

As the lead songwriter for Jacob 's Ladder, the last thing Gabe Renard needs is a debilitating case of writer 's block. After years of meaningless one night stands, he's finding it hard to pen the love-filled ballads the label is requesting. In an effort to clear his mind, Gabe takes his jeep off-roading in the North Georgia Mountains. When a wrong-turn leads to him getting stuck more than just creatively, he 's forced to call for help. To his surprise, the " Ray " who has been sent by Hart Wreckers to his aid is actually " Rae " —a sexy-as-hell spitfire in a pair of tight-as-hell jeans. The combination of Rae 's sassy mouth and rocking body might be the inspiration Gabe needs. But for the first time since becoming a rock star, his advances have been shot down. Reagan Hart has never been a fan of musicians. In fact, just the mention of one might cause her to throw a tire tool. Her disgust for them started when she was just eight and her mother ran off with a traveling country singer, and it only worsened when at seventeen, her rocker boyfriend knocked her up before blowing out of town. As a single mother taking care of her family's collision business, Rae doesn't have time for hook ups, much less a relationship. And if she did make time, a musician would be last on her list, even one as good-looking as Gabe Renard. Runaway Lyrics Katie Ashley

Barrett The name 's Barrett Callahan. Yeah, that Barrett Callahan—the one the press dubbed “ Bare ” after those naked sexting pictures surfaced. At twenty-five, I was armed with an MBA from Harvard, an executive position at my father ' s Fortune 500 company, a penthouse, and a different piece of delectable eye candy in my bed every weekend. I had a life most men dreamed of. But then my father decided to run for president, and my playboy lifestyle became a liability to his campaign that was built on family values. My “ makeover ” comes in the form of a fake fiancé e who I don't even get to choose--one who is an uptight, choirgirl acting priss but also sexy-as-hell.

Addison My latest relationship had gone down in flames, and I was drowning in a sea of student loans when in true Godfather status, James Callahan made me an offer I

couldn't refuse. Seven figures for seven months on the campaign trail pretending to be the adoring fiancée of his son, Barrett. As soon as he won the election, our engagement would be dissolved amicably for the press, I was free to ride off into the sunset a million dollars richer, and because of the NDA, no one would be the wiser. Sure, I'd never met the guy, but I'd been a theater nerd in high school. I could pull off any role from Lady Macbeth to Maria Von Trapp. But that was before I met my fake fiancé—the infuriating, self-absorbed, egotistical, drop-dead-sexy King of the Manwhores. The race will be a fight to the death finish, and that's not even the actual campaign.

Understanding Music Katie Ashley

A profoundly and unexpectedly intimate, deeply affecting summing up of life so far, from one of the most cherished moral voices of our time. Eighty-two years old, facing emergency heart surgery and his own mortality, Elie Wiesel reflects back on his life. Emotions, images, faces, and questions flash through his mind. His family before and during the unspeakable Event. The gifts of marriage, children, and grandchildren that followed. In his writing, in his teaching, in his public life, has he done enough for memory and for the survivors? His ongoing questioning of God—where has it led? Is there hope for mankind? The world's tireless ambassador of tolerance and justice gives us a luminous account of hope and despair, an exploration of the love, regrets, and abiding faith of a remarkable man. Translated from the French by Marion Wiesel
