The Chaos of Longing Katie Ashley

A "heroic" biography of John Cage and his "awakening through Zen Buddhism"—"a kind of love story" about a brilliant American pioneer of the creative arts who transformed himself and his culture (The New York Times) Composer John Cage sought the silence of a mind at peace with itself—and found it in Zen Buddhism, a spiritual path that changed both his music and his view of the universe. "Remarkably researched, exquisitely written," Where the Heart Beats weaves together "a great many threads of cultural history" (Maria Popova, Brain Pickings) to illuminate Cage's struggle to accept himself and his relationship with choreographer Merce Cunningham. Freed to be his own man, Cage originated exciting experiments that set him at the epicenter of a new avant-garde forming in the 1950s. Robert Rauschenberg, Jasper Johns, Andy Warhol, Yoko Ono, Allan Kaprow, Morton Feldman, and Leo Castelli were among those influenced by his 'teaching' and 'preaching.' Where the Heart Beats shows the blossoming of Zen in the very heart of American culture.

The Sunshine Principle is this: that the greatest potential for healing occurs when we align our behaviors with God's natural, biological, and spiritual laws. We see this play out repeatedly in the Church's teachings, Sacred Scripture, and Sacred Tradition. Once the gimmicks, verbiage, and misunderstandings related to natural wellness are stripped away, we are left with a simple formula based on God's design for creation and His great love for us. Every detail of daily living—from what we eat to how we pray—is broken down to this principle, making healing possible, accessible, and joyful! This book is a testimony to the truth of God's love and attentiveness through His natural gifts, and a bridge for the seeker who wants to explore pharmaceutical alternatives without falling into the errors of New Age earth and body worship. It presents a simple plan to help gently restore an individual, familial, and cultural vision to that which God intended for His beloved people. The enemies of God want us sick, depressed, oppressed, anxious, numbed, confused, and defeated. Let us reject those things which dull the senses and make the body ill and the intellect more inclined to despair. Let us fight for joy, strength, hope, and clarity. God created this body to serve Him. Serviam!

Thorn From the first time I played army as a kid, the military has been my life. As an Airborne Major, I'd led my men through two tours in Afghanistan. But when my father was elected president, I became an even greater target for the enemy—a prize for someone to take out. To ensure not only the safety of myself, but of my men, I got stripped of my cammies, shoved into an Armani suit, and placed into a management position at my father's company. After years of trekking through the desert with an assault rifle, I was way out of my area of expertise, which my transition coordinator was more than happy to let me know

on a daily, if not hourly basis. The brunette bombshell would be the death of me in more ways than one, especially since I hadn't been with a woman since my last deployment. She's turning out to be one of the greatest foes I've ever done battle with. Isabel In the backwoods Georgia town I was born in, you either married right out of high school or got the hell out of town. I chose the second and never looked back. After graduating top in my class, I started working for The Callahan Corporation. Fast forward five years and I was about to become the youngest female manager in the history of my department. And then all the blood, sweat, and tears I'd put into my career were for nothing when the boss's billionaire son was handed my position on a silver platter. Not only that, I was expected to help transition him into the job that was supposed to be mine. Sure, he's easy on the eyes with his chiseled good-looks and impossibly built physique, but I'm not going to let that distract me. I hope soldier boy is good at military strategy because sabotage is the name of the game I'll be playing.

Barrett The name's Barrett Callahan. Yeah, that Barrett Callahan—the one the press dubbed “Bare” after those naked sexting pictures surfaced. At twenty-five, I was armed with an MBA from Harvard, an executive position at my father's Fortune 500 company, a penthouse, and a different piece of delectable eye candy in my bed every weekend. I had a life most men dreamed of. But then my father decided to run for president, and my playboy lifestyle became a liability to his campaign that was built on family values. My “makeover” comes in the form of a fake fiancé who I don't even get to choose—one who is an uptight, choirgirl acting priss but also sexy-as-hell. Addison My latest relationship had gone down in flames, and I was drowning in a sea of student loans when in true Godfather status, James Callahan made me an offer I couldn't refuse. Seven figures for seven months on the campaign trail pretending to be the adoring fiancé of his son, Barrett. As soon as he won the election, our engagement would be dissolved amicably for the press, I was free to ride off into the sunset a million dollars richer, and because of the NDA, no one would be the wiser. Sure, I'd never met the guy, but I'd been a theater nerd in high school. I could pull off any role from Lady Macbeth to Maria Von Trapp. But that was before I met my fake fiancé—the infuriating, self-absorbed, egotistical, drop-dead-sexy King of the Manwhores. The race will be a fight to the death finish, and that's not even the actual campaign.
