Representing Lives Houghton Mifflin Harcourt
Australian literature ’ s strangest novel, written by its most familiar novelist
The Dutiful Daughter’s Guide to Caregiving UPNE
This New York Times Notable memoir of a middle-class, middle-America family is a “ beautiful bouquet of a book ” (Entertainment Weekly). They say “ a daughter is a daughter all her life, ” and no statement could be truer for Patricia Hampl. Born to a Czech father—an artistic florist—and a wary Irish mother, Hampl experienced a childhood in St. Paul, Minnesota, that couldn ’ t have been more normal, the perfect example of a twentieth century middle-class, middle-American upbringing. But as she faces the death of her mother, Hampl reflects on the struggles her parents went through to provide that normal, boring existence, and her own struggles with fulfilling the role of dutiful daughter as she grew through the postwar years to the turbulent sixties and couldn ’ t help wanting to rebel against the notion of a “ relentlessly modest life. ” Named a Chicago Tribune Best Book of the Year, The Florist ’ s Daughter is Hampl ’ s most extraordinary work to date—a “ quietly stunning ” reminiscence of a Midwestern girlhood, and a reflection on what it means to be a daughter (People).

Sex, Love, and Letters Oxford University Press
Brimming “with the ebullient Bhagwati’s fierce humanism, seething humor, and change-maker righteousness,” (Shelf Awareness) a raw, unflinching memoir by a former US Marine Captain chronicling her journey from dutiful daughter of immigrants to radical activist fighting for historic policy reform. After a lifetime of buckling to the demands of her strict Indian parents, Anuradha Bhagwati abandons grad school in the Ivy League to join the Marines—the fiercest, most violent, most masculine branch of the military—determined to prove herself there in ways she couldn’t before. Yet once training begins, Anuradha’s GI Jane fantasy is punctured. As a bisexual woman of color in the military, she faces underestimation at every stage, confronting misogyny, racism, sexual violence, and astonishing injustice perpetrated by those in power. Pushing herself beyond her limits, she also wrestles with what drove her to pursue such punishment in the first place. Once her service concludes in 2004, Anuradha courageously vows to take to task the very leaders and traditions that cast such a dark cloud over her time in the Marines. Her efforts result in historic change, including the lifting of the ban on women from pursuing combat roles in the military. “Bhagwati’s fight is both incensing and inspiring” (Booklist) in this tale of heroic resilience and grapples with the timely question of what, exactly, America stands for, showing how one woman learned to believe in herself in spite of everything. Wartime Diary BrightSummaries.com

National Jewish Book Award Winner • Christy Award Finalist A young woman survives the unthinkable in this stunning and emotionally satisfying tale of family, love, and resilience, set against the destruction of Jerusalem in 70 CE. Esther dreams of so much more than the marriage her parents have arranged to a prosperous silversmith. Always curious and eager to explore, she must accept the burden of being the dutiful daughter. Yet she is torn between her family responsibilities and her own desires; she longs for the handsome Jacob, even though he treats her like a child, and is confused by her attraction to the Roman freedman Tiberius, a man who should be her sworn enemy. Meanwhile, the growing turmoil threatens to tear apart not only her beloved city, Jerusalem, but also her own family. As the streets turn into a bloody battleground between rebels and Romans, Esther's journey becomes one of survival. She remains fiercely devoted to her family, and braves famine, siege, and slavery to protect those she loves. This emotional and impassioned saga, based on real characters and meticulous research, seamlessly blends the fascinating story of the Jewish people with a timeless protagonist determined to take charge of her own life against all odds.

Memoirs of a Dutiful Daughter by Simone de Beauvoir (Book Analysis) Farrar, Straus and Giroux

In The Wine Lover’s Daughter, Anne Fadiman examines—with all her characteristic wit and feeling—her relationship with her father, Clifton Fadiman, a renowned literary critic, editor, and radio host whose greatest love was wine. An appreciation of wine—along with a plummy upper-crust accent, expensive suits, and an encyclopedic knowledge of Western literature—was an essential element of Clifton Fadiman’s escape from lower-middle-class Brooklyn to swanky Manhattan. But wine was not just a class-vaulting accessory; it was an object of ardent desire. The Wine Lover’s Daughter traces the arc of a man’s infatuation from the glass of cheap Graves he drank in Paris in 1927; through the Château Lafite-Rothschild 1904 he drank to celebrate his eightieth birthday, when he and the bottle were exactly the same age; to the wines that sustained him in his last years, when he was blind but still buoyed, as always, by hedonism. Wine is the spine of this touching memoir; the life and character of Fadiman’s father, along with her relationship with him and her own less ardent relationship with wine, are the flesh. The Wine Lover’s Daughter is a poignant exploration of love, ambition, class, family, and the pleasures of the palate by one of our finest essayists.

Simone de Beauvoir Anchor
Written from September 1939 to January 1941, Simone de Beauvoir’s Wartime Diary gives English readers unabridged access to one of the scandalous texts that threaten to overturn traditional views of Beauvoir’s life and work. Beauvoir’s account of her clandestine affair with Jacques Bost and sexual relationships with various young women challenges the conventional picture of Beauvoir as the devoted companion of Jean-Paul Sartre, just as her account of completing her novel She Came to Stay at a time when Sartre’s philosophy in Being and Nothingness was barely begun calls into question the traditional view of Beauvoir’s novel as merely illustrating Sartre’s philosophy. Most important, the Wartime Diary provides an exciting account of Beauvoir’s philosophical transformation from the prewar solipsism of She Came to Stay to the postwar political engagement of The Second Sex. This edition also features previously unpublished material, including her musings about consciousness and order,

recommended reading lists, and notes on labor unions. In providing new insights into Beauvoir’s philosophical development, the Wartime Diary promises to rewrite a crucial chapter of Western philosophy and intellectual history.

Don't Say a Word She Writes Press
From the author of the international bestseller The Hidden Child comes a spellbinding story of impossible love set against the backdrop of the Nazi regime, perfect for fans of The Nightingale and All the Light We Cannot See. She must choose between loyalty to her country or a love that could be her destruction... As the dutiful daughter of a high-ranking Nazi officer, Hetty Heinrich is keen to play her part in the glorious new Thousand Year Reich. But she never imagines that all she believes and knows will come into stark conflict when she encounters Walter, a Jewish friend from the past, who stirs dangerous feelings in her. Confused and conflicted, Hetty doesn't know whom she can trust and where she can turn to, especially when she discovers that someone has been watching her. Realizing she is taking a huge risk—but unable to resist the intense attraction she has for Walter—she embarks on a secret love affair with him. But as the rising tide of anti-Semitism threatens to engulf them, Hetty and Walter will be forced to take extreme measures. Will the steady march of dark forces destroy Hetty's universe—or can love ultimately triumph...? Propulsive, deeply affecting, and inspired by the author's family history, Daughter of the Reich is a mesmerizing page-turner filled with vivid characters, a meticulously researched portrait of Nazi Germany, and a reminder that the past must never be forgotten.

A Girl's Story Random House
When Judith Henry’s mother and father became ill in 2007, even her reputation as a pragmatist, a planner and a dutiful daughter (her father’s term) couldn’t prepare her for what lay ahead - a long list of concerns that included navigating an unfamiliar healthcare system, addressing financial and legal issues, dealing with stress and family dynamics, choosing a rehab center, and ultimately, making hospice arrangements. Doing what came naturally to her, she captured these experiences on paper - writing about what worked and what didn’t; about finding humor in the oddest places; and the ways in which the past, present and future often intersect. As Judith looks back at her childhood, and reveals intimate stories about assisting both her parents years later, she also shares practical suggestions and critical information on topics every son and daughter should know as their own caregiving journey begins.

Memoirs of a Not So Dutiful Daughter McClelland & Stewart
Edna and Leo, a perpetually warring, tyrannical pair in their 80s, begin wintering In Mexico, where they abandon their usual prudence to embrace adventure and a bevy of sketchy new friends. Soon, Edna adopts a pair of shyster builders whom she trusts over her own architect-daughter Elizabeth, and a farcical house results. Blithely indifferent to the calamities that result, the pair refuse all help from their too-compliant only child. Later, following her mother’s sudden death, Elizabeth’s wise, principled father attempts to fill his late wife’s shoes with a string of loopy, live-in housekeepers—with privileges, he hopes. Before it is over the Mexican escapade will bring down the kind of disasters commonly found in pulp fiction. Why can’t Elizabeth stop any of this from happening? No matter the madness, she cannot confront her parents any more than she ever could. In the end, the surprising way in which they come undone reveals just what they spent their lives trying to hide, thereby setting her free. Though unique in its loony details, Don’t Say A Word! will resonate with beleaguered adult-children everywhere who will recognize the special misery of watching, helpless, as stubborn, diminished parents careen precariously toward the end of life.

Letters to Sartre Vintage
Set in Paris on the eve of World War II, the novel draws upon Simone de Beauvoir's relationship with Jean-Paul Sartre, and the affair that almost destroyed it.

The Prime of Life HarperCollins
"What do Angela Merkel, Hillary Rodham Clinton, Christine Lagarde, Oprah Winfrey, Sheryl Sandberg, JK Rowling and Beyoncé have in common?" was the headline in the English newspaper The Observer in 2014. "Other than riding high in Forbes list of the world's most powerful women," journalist Tracy McVeigh wrote in answer to her own question, "they are also all firstborn children in their families. Firstborn children really do excel." So what does it mean to be an eldest daughter? Firstborns Lisette Schuitemaker and Wies Enthoven set out to discover the big five qualities that characterize all eldest daughters to some degree. Eldest daughters are responsible, dutiful, thoughtful, expeditious and caring. Firstborns are more intelligent than their siblings, more proficient verbally and more motivated to perform. Yet at the same time they seriously doubt that they are good enough. Being an eldest daughter can have certain advantages, but the overbearing sense of responsibility often gets in the way. Parents may worry about their ‘difficult’ eldest girl who wants to be perfect in everything she does whilst her siblings may not always understand her. "The Eldest Daughter Effect" shows how firstborn girls become who they are and offers insights that can give them more freedom to move. And parents will gain a better understanding of their firstborn children and can support them more fully on their way.

She Came to Stay National Geographic Books
RA great thumping triumph of a bookS ("London Telegraph"), this is the first comprehensive modern biography of Catherine the Great to explore her both as a woman and empress.
Memoirs of a Not So Dutiful Daughter Psychology Press
WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Another masterpiece of remembering from Annie Ernaux, the Man Booker International Prize—shortlisted author of The Years. In A Girl's Story, Annie Ernaux revisits the season 50 years earlier when she found herself overpowered by another's will and desire. In the summer of 1958, 18-year-old Ernaux submits her will to a man's, and then he moves on, leaving her without a “master,” bereft. Now, 50 years later, she realizes she can obliterate the intervening years and return to consider this young woman that she wanted to forget completely. And to discover that here, submerged in shame, humiliation, and betrayal, but also in self-discovery and self-reliance, lies the origin of her writing life.

Le Deuxième Sexe Ember
2015-2016 Sarton Story Circle: Memoir Winner 2016-2017 Readers Views Award: Memoir/Autobiography/Biography Winner, West Pacific Regional Winner 2017 Independent Press Award: Relationships Winner 2017 Northern California Publishers and Authors Second Place in Book Cover 2017 Northern California Publishers and Authors Second Place in Memoir 2017 Readers' Favorite Book Award Bronze Winner

2017 International Book Awards: Autobiography/Memoir Finalist 2016 National Indie Excellence Awards: Memoir Finalist Everyone has or had a mother. Dr. Virginia A. Simpson did too. She thought they had a wonderful relationship and had worked out all of their issues when a life-threatening illness necessitated her mother, Ruth, come live with her. When her mother moved in, she brought with her all their old issues and during the six years they lived together, they added more. Although an expert in the field of death, dying, and bereavement, Virginia often found herself overwhelmed by her caregiving role as her mother’s health continued to decline. She also felt herself on a race against time to heal their relationship before her mother died. Described as “stunning, beautiful, and honest,” *The Space Between: A Memoir of Mother-Daughter Love at the End of Life* offers an intimate window into the challenges of being a caregiving while also providing important information about the realities of end of life care. *The Space Between* gives us hope that even the most contentious relationship can be healed. By the end of Ruth’s life, the only space between Virginia and her mother was filled with love.

The Wine Lover's Daughter HMH

Finalist for the French-American Florence Gould Translation Prize A novel by the iconic Simone de Beauvoir of an intense and vivid girlhood friendship that, unpublished in her lifetime, displays “Beauvoir's genius as a fiction writer”(Wall Street Journal) From the moment Sylvie and Andrée meet in their Parisian day school, they see in each other an accomplice with whom to confront the mysteries of girlhood. For the next ten years, the two are the closest of friends and confidantes as they explore life in a post-World War One France, and as Andrée becomes increasingly reckless and rebellious, edging closer to peril. Sylvie, insightful and observant, sees a France of clashing ideals and religious hypocrisy—and at an early age is determined to form her own opinions. Andrée, a tempestuous dreamer, is inclined to melodrama and romance. Despite their different natures they rely on each other to safeguard their secrets while entering adulthood in a world that did not pay much attention to the wills and desires of young women. Deemed too intimate to publish during Simone de Beauvoir’s life, *Inseparable* offers fresh insight into the groundbreaking feminist's own coming-of-age; her transformative, tragic friendship with her childhood friend Zaza Lacoïn; and how her youthful relationships shaped her philosophy. Sandra Smith's vibrant translation of the novel will be long cherished by de Beauvoir devotees and first-time readers alike.

Daughter of the Reich Dial Press

Personal memories of the sort her Chatelaine readers adored — a remarkable life story seen through the window of her relationship with her mother. Every woman’s relationship with her mother is special. Yet everyone will recognize some parts of another woman’s story, especially if it is told as honestly and as sensitively as Rona Maynard tells it here. As a little girl, Maynard soon came to see that her family was not an ordinary one. Her father, Max, was an artist and an alcoholic. Her mother was Fredelle Maynard, a brilliant academic who could not get a teaching job because she was a woman. Instead she became a writer — the author of *Raisins* and *Almonds* — and, above all, a driving, loving, ambitious, overpowering mother. In her shadow (and that of younger sister Joyce, who went off at eighteen to live with J.D. Salinger) Rona took time to blossom as a writer and editor in Toronto. This book takes us through her career, step by step, including the miseries of being accused by her son’s teachers — and her own mother — of being a bad mother, overly concerned with her own career. Rona’s strong, direct style will ring true for every working woman. Through the magic of her writing, she gives a clear-eyed and affectionate account of her relationship with a demanding, loving mother. I said to my father, "You don’t live here any more. This is Mother’s house, not yours. It’s time for you to go." My father cursed me. He shook his fist. Then he left and never came back. —From *My Mother’s Daughter*

The Space Between Atria Books

Simone de Beauvoir was a prolific writer and feminist, whose name has attracted a volatile mix of adulation and hostility. This collection of critical responses to a wide range of Beauvoir's writing explores the changing perceptions of the woman and explores why her work remains influential today.

Modern Classics Memoirs of a Dutiful Daughter Palgrave Macmillan

Winner of the 2023 Pacific Northwest Book Award. Finalist for the 2023 Lesbian Memoir/Biography Lambda Literary Award "A nuanced mediation on love, identity, and belonging. This story of survival radiates with resilience and hope." —Publishers Weekly (starred review) "This openhearted memoir . . . opens the door to include queer descendants of war survivors into the growing American library of love." —Sarah Schulman, author of *Let the Record Show When Putsata Reang* was eleven months old, her family fled war-torn Cambodia, spending twenty-three days on an overcrowded navy vessel before finding sanctuary at an American naval base in the Philippines. Holding what appeared to be a lifeless baby in her arms, Ma resisted the captain's orders to throw her bundle overboard. Instead, on landing, Ma rushed her baby into the arms of American military nurses and doctors, who saved the child's life. "I had hope, just a little, you were still alive," Ma would tell Put in an oft-repeated story that became family legend. Over the years, Put lived to please Ma and make her proud, hustling to repay her life debt by becoming the consummate good Cambodian daughter, working steadfastly by Ma's side in the berry fields each summer and eventually building a successful career as an award-winning journalist. But Put's adoration and efforts are no match for Ma's expectations. When she comes out to Ma in her twenties, it's just a phase. When she fails to bring home a Khmer boyfriend, it's because she's not trying hard enough. When, at the age of forty, Put tells Ma she is finally getting married—to a woman—it breaks their bond in two. In her startling memoir, *Reang* explores the long legacy of inherited trauma and the crushing weight of cultural and filial duty. With rare clarity and lyric wisdom, Ma and Me is a stunning, deeply moving memoir about love, debt, and duty.

Simone de Beauvoir Simon and Schuster

A superb autobiography by one of the great literary figures of the twentieth century, *Memoirs of a Dutiful Daughter* offers an intimate picture of growing up in a bourgeois French family, rebelling as an adolescent against the conventional expectations of her class, and striking out on her own with an intellectual and existential ambition exceedingly rare in a young woman in the 1920s. Simone de Beavoir describes her early life, from her birth in Paris in 1908 to her student days at the Sorbonne, where she met Jean-Paul sartre - 'the dream-companion I had longed for since I was fifteen'.

Rebel Daughter HarperCollins

The only child of an electrical engineer and a mother who resented the fact that she'd never been to university, the broadcaster Jenni Murray grew up in a traditional household in the 1950s. But instead of becoming the conventional housewife her mother expected her to be, Jenni opted to forge her own path in both her career and her personal life. The resulting tensions have lasted as long as she can remember. How, she has often wondered, could two women be so close, so full of love for each other, and at the same time so full of hate that they broke each other's hearts? And so Jenni

began her remarkable memoir - and continued to write throughout 2006 as her mother lay dying, and Jenni struggled to care for her and her beloved father while herself being treated for breast cancer. Filled with love and laughter, frustration and heartbreak, and with the courage 'to keep on keeping on' even in the darkest days, it will speak to every mother and daughter, dutiful or not.
