Memoirs of Montparnasse New York Review of Books "Extraordinary...Rich in irony and regret...[the] people and settings are vividly realized and his prose [is] compelling in its simplicity." THE WALL STREET JOURNAL As the world slips into the throes of war in 1939, young Maciek's once closetted existence outside Warsaw is no more. When Warsaw falls, Maciek escapes with his aunt Tania. Together they endure the war, running, hiding, changing their names, forging documents to secure their temporary lives—as the insistent drum of the Nazi

march moves ever closer to them and to their secret wartime lies. The Dud Avocado Ballantine Books Showing that Memoirs of Montparnasse is not the honest reminiscence John Glassco presents it to be, this volume compares the published book version of Memoirs to its holograph manuscript with the narrative energy of a psychological detective story. Like Frederick Philip Grove and Grey Owl, Glassco too has transformed himself into a person of his own creation. Literary subterfuge pervades not only the premise on which Memoirs of Montparnasse is founded, but also the dialogue, the plot structure, the characterizations, and the events that are supposed to have happened. This subterfuge contributes to establishing Glassco's distinctive position in Canadian literary history, that of a 20th-century successor to the literary dandies, aesthetes, and decadents of 19th-century England and

Paris Stories

SelfMadeHero

"From humble origins, Kiki de Montparnasse became the muse of Man Ray, Kisling, Foujita, Calder, and other important artists living in Paris in the Roaring Twenties. Many revolutionary writers, artists, and personalities flourished on the bohemian Left Bank, each one inventing their own iconic style, and Kiki, the Queen of Montparnasse, was the thread connecting them. Not only an artist's model, Kiki was also a cabaret performer, actress, and an artist in her own right with two successful exhibitions. Every image tells a fascinating story in this lavishly illustrated, oversize luxury slipcase volume, revealing the artistic, social, and historical events that created and surrounded the incredible artistic flowering of the now mythical Montparnasse neighborhood"--Publisher's web site.

Thrust into the unlikely role of professional "literary walking tour" guide, an expat writer provides the most irresistibly witty and revealing tour of Paris in years. In this enchanting memoir, acclaimed author and long-time Paris resident John Baxter remembers his yearlong experience of giving "literary walking tours" through the city. Baxter sets off with

unsuspecting tourists in tow on the trail of Paris's legendary artists and writers of the past. Along the way, he tells the history of Paris through a brilliant cast of characters: the favorite cafés of Ernest Hemingway, F. Scott Fitzgerald, and James Joyce; Pablo Picasso's underground Montmartre haunts; the bustling boulevards of the late-nineteenth-century flâneurs; the secluded "Little Luxembourg" gardens beloved by Gertrude Stein; the alleys where revolutionaries plotted; and finally Baxter's own favorite walk near his home in Saint-Germain-des-Prés.

The Teleportation

Accident McGill-Queen's Press - MQUP

Despite his reputation as Canada's dandy-poet and his approach to writing as 'a challenge best overcome by panache', John Glassco's poems demonstrate a seemingly incongruous preoccupation with rural life and an intense interest in decline, dilapidation and despair. Plagued by chronic self-doubt and the fear of wasting literary effort, Glassco explored, through his poems, 'graveyards minding their business', buildings 'long in standing, longer still in falling', and the toil of 'hope battered into habit, and a habit / Running to

weariness'. The result is a selection of work that features syntactic daring, a somewhat anachronistic pleasure in constructedness and a compulsion to turn feelings of unsuitability into art. The Essential Poets Series presents the works of Canada's most celebrated poets in a package that is beautiful, accessible and affordable. The Essential John Glassco is the twenty-third volume in the increasingly popular series.

"In the bohemian and brilliant Montparnasse of the 1920s, Kiki escaped poverty to become one of the most charismatic figures of the avant-garde years between the wars. Partner to Man Ray, she would be immortalised by many artists. The muse of a generation, she was one of the first emancipated women of the 20th century." -- Provided by publisher.

Why are contemporary writers of fiction in Canada so obsessed with photography? Timothy Findley's *The Wars*, Michael Ondaatje's *Coming Through Slaughter*, Margaret Laurence's *The Diviners*, and Alice Munro's *Lives of Girls and Women* all present the

photograph as a virtual analogue to the act of creating narrative. Lorraine York examines four Canadian writers of fiction whose works span the literary schools of modernism, magic realism, and postmodernism. For Canadian postmodernists, photography becomes a means of examining, in an acutely self-conscious way, their need to break out of the traditional confines of narrative form.

The adventures and attitudes shared by the American writers dubbed "The Lost Generation" are brought to life here by one of the group's most notable members. Feeling alienated in the America of the 1920s, Fitzgerald, Crane, Hemingway, Wilder, Dos Passos, Crowley, and many other writers "escaped" to Europe, some forever, some as temporary exiles. As Cowley details in this intimate, anecdotal portrait, in renouncing traditional life and literature, they expanded the boundaries of art.

Which authors were contemporaries of Charles Dickens? Which books, plays, and poems were published during World War II? Who won the Pulitzer Prize in the year you were born? *Timetables of World Literature* is a chronicle of literature from ancient times through the 20th century. It answers the question "Who wrote what when?" and allows readers to place authors and their works in the context of

their times. A chronology of the best in global writing, this valuable resource lists more than 12,000 titles and 9,800 authors, includes all genres of literature from more than 58 countries, and covers 41 languages. It is divided into seven sections, spanning the Classical Age (to 100 CE), the Middle Ages (100–1500 CE), and the 16th through the 20th centuries. Comprehensive in scope, *Timetables of World Literature* provides students, researchers, and browsers with basic facts and a worldwide perspective on literature through time. Four extensive indexes by author, title, language/nationality, and genre make research quick and easy. Features include: Birth and death dates as well as nationalities of authors and other literary figures; Winners of major literary prizes and awards, such as the Nobel Prize in Literature and the Pulitzer Prizes, for each year; Brief discussions of literary developments in each period or century, and the relationship of literature to the social and political climate; Timelines of key historical events in each century.

Exile's Return Simon & Schuster Books For Young Readers

When Paris Sizzled vividly portrays the City of Light during the fabulous 1920s, *les Années folles*, when Parisians emerged from the horrors of war to find that a new world greeted them—one that reverberated

with the hard metallic clang of the assembly line, the roar of automobiles, and the beat of jazz. Mary McAuliffe traces a decade that saw seismic change on almost every front, from art and architecture to music, literature, fashion, entertainment, transportation, and, most notably, behavior. The epicenter of all this creativity, as well as of the era's good times, was Montparnasse, where impoverished artists and writers found colleagues and cafés, and tourists discovered the Paris of their dreams. Major figures on the Paris scene—such as Gertrude Stein, Jean Cocteau, Picasso, Stravinsky, Diaghilev, and Proust—continued to hold sway, while others now came to prominence—including Ernest Hemingway, Coco Chanel, Cole Porter, and Josephine Baker, as well as André Citroën, Le Corbusier, Man Ray, Sylvia Beach, James Joyce, and the irrepressible Kiki of Montparnasse. Paris of the 1920s unquestionably sizzled. Yet rather than being a decade of unmitigated bliss, *les Années folles* also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right, aimed at annihilating whatever threatened

tradition and order—a struggle that would escalate in the years ahead. Through rich illustrations and evocative narrative, Mary McAuliffe brings this vibrant era to life.

That Summer in Paris

Harper Collins

This volume discusses the autobiographical inclination in Canadian literature, exploring works by such writers as Alice Munro, W.O. Mitchell, Michael Ondaatje, John Glassco, and Susanna Moodie. Others works, including the oral memoirs of a Métis, an Inuit's account as being civil servant in Ottawa, and the autobiographical writings of pioneer women and French missionaries are examined to show the depth and breadth of this tradition in Canada. These texts act as starting points for an in depth look at the relationships between autobiography, biography and fiction in Canadian literature. Published in English.

Wartime Lies New York Review of Books
Ever wondered where

novelists get the inspiration for their characters? Why the hero or villain of your favourite book seems oddly familiar? Who inspired Mordecai Richler to create Bernard Gursky; Margaret Atwood to create Zenia in *The Robber Bride*? In which novel does Northrop Frye appear (as a character named Morton Hyland)? The answers can be found in *Character Parts*, Brian Busby's irreverent yet authoritative guide to who's really who in Canadian literature. The most original and entertaining reference book to be published in years, *Character Parts* is the behind-the-scenes look at CanLit we have all been waiting for. Brian Busby settles the suspicions that arise when a fictional character reminds you of a real-life one, listing the sources for characters from the whole of Canadian literature. His canvas stretches from the settlers who inspired 1852's *Roughing It* in the Bush to Glenn Gould's appearance as Nathaniel Orlando Gow in Tim Wynne-Jones' *The Maestro*, and beyond. But *Character Parts* is also chock-full of fascinating, less famous people who have been immortalized in Canadian books: seductive Alberta politicians, British army generals, anarchists, models, aristocrats -- and, of course, parents, siblings and ex-spouses. Authoritative, but presented with a light touch, *Character Parts* is as at home in a university library as on a bathroom shelf. It's that rare find: an exemplary reference

book that is also an absolutely entertaining read in its own right.

Killer, Come Hither Penn State University Press Long-listed for the 2012 Man Booker Prize, *The Teleportation Accident* is a hilarious sci-fi noir about sex, Satan, and teleportation devices. When you haven't had sex in a long time, it feels like the worst thing that could ever happen. If you're living in Germany in the 1930s, it probably isn't. But that's no consolation to Egon Loeser, whose carnal misfortunes will push him from the experimental theaters of Berlin to the absinthe bars of Paris to the physics laboratories of Los Angeles, trying all the while to solve two mysteries: Was it really a deal with Satan that claimed the life of his hero, Renaissance set designer Adriano Lavicini, creator of the so-called Teleportation Device? And why is it that a handsome, clever, modest guy like him can't-just once in a while-get himself laid? Ned Bauman has crafted a stunningly inventive, exceptionally funny, dangerously

unsteady and (largely) coherent novel about sex, violence, space, time, and how the best way to deal with history is to ignore it. *Paris in the 1920s* Harper Collins

An American born in Paris at the turn of the last century, Green accompanies the reader on an imaginative stroll around the French capital, revealing its secret stairways, courtyards and alleys. From haunted visions of Notre-Dame to memories of the old Trocadero, Green describes these strange and often little-known locations in loving detail. Book jacket.

Half-Blood Blues New York Review of Books This is the story of a young man's struggle to stay afloat. By turns poignant and comic, Paul Auster's memoir is essentially an autobiographical essay about money--and what it means not to have it. From one odd job to the next, from one failed scheme to another, Auster investigates his own stubborn compulsion to make art and describes his ingenious, often far-fetched attempts to survive on next to nothing. From the streets of New York City and Paris to the rural roads of upstate New York, the author treats us

to a series of remarkable adventures and unforgettable encounters and, in several elaborate appixes, to previously unknown work from these years.

The Island Means Minago

New York Review of Books

Memoirs of Montparnasse is a delicious book about being young, restless, reckless, and without cares. It is also the best and liveliest of the many chronicles of 1920s Paris and the exploits of the lost generation. In 1928, nineteen-year-old John Glassco escaped Montreal and his overbearing father for the wilder shores of Montparnasse. He remained there until his money ran out and his health collapsed, and he enjoyed every minute of his

stay. Remarkable for their candor and humor, Glassco's memoirs have the daft logic of a wild but utterly absorbing adventure, a tale of desire set free that is only faintly shadowed by sadness at the inevitable passage of time.
