The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

Paper Routledge

Concepts in Composition: Theory and Practice in the Teaching of Writing is designed to foster reflection on how theory impacts practice, enabling prospective teachers to develop their own comprehensive and coherent conception of what writing is or should be and to consider how people learn to write. This approach allows readers to assume the dual role of both teacher and student as they enter the conversation of the discipline and become familiar with some of the critical

issues. New to this second edition are: up-to-date primary source readings; a focus on collaborative writing practices and collaborative learning; additional assignments and classroom activities an emphasis on new media and information literacy and their impact on the teaching of writing These new directions will inform the content of this revision, reflecting significant advancements in the field. Each chapter addresses a particular theoretical concept relevant to classroom teaching and includes activities to help readers establish the connection between theoretical concepts and classroom lessons. Online resources include overviews, classroom handouts, exercises, a sample syllabus, and PowerPoint presentations. Bringing together scholars with expertise in particular areas of composition, this text will serve as an effective primer for students and educators in the field of composition theory.

Dreams are the currency of Okri's writing, particularly in this first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - Giles Foden, *Times Literary Supplement*

English Mechanics and the World of Science

From best-selling author Holly Webb comes a brand new series full of mystery and intrigue following the adventures of a very determined heroine and her dog! Holly Webb fans will be thrilled to pieces to discover the adventures of Maisie Hitchins, the pluckiest little detective in Victorian London. Maisie Hitchins lives in her grandmother's boarding house, longing for adventure. She idolizes the famous detective, Gilbert Carrington, and follows his every case. But Maisie is about to be given the opportunity of a lifetime: her own mystery to solve! In the first book in this fantastic new series, Maisie rescues a puppy in peril whilst running an errand, and adopts him. She decides to investigate the puppy's original cruel owner, but instead gets tangled up in an intriguing plot involving stolen sausages, pilfered halfpennies and a fast-paced bicycle chase. The streets of Victorian London are never safe, but Maisie's on the case!
