História e histórias Memorial do Convento Baltasar and Blimunda

A family of Portuguese farmers struggle to survive as world events pass them by in "a novel that resounds with relevance for our own time" (New York Times Book Review). Winner of the City of Lisbon Prize Celebrated author Jose Saramago has delighted readers around the world with his imaginative tales and evocative depictions of life in his native Portugal. His novel Raised from the Ground follows the changing fortunes of the Mau Tempo family—poor landless peasants not unlike Saramago's own grandparents. Set in Alentejo, a southern province of Portugal known for its vast agricultural estates, the novel charts the lives of the Mau Tempos as national and international events rumble on in the background—the coming of the republic in Portugal, the two world wars, and an attempt on the dictator Salazar's life. Yet nothing really impinges on the grim reality of the farm laborers' lives until the first communist stirrings. Raised from the Ground is Saramago's most deeply personal novel, the book in which he found the signature style and voice that would win him the Nobel Prize in Literature.

Uma história intrinsecamente relacionada com a construção do Palácio-Convento de Mafra, período durante o qual se desenrola a acção marcada pelo confronto entre a dimensão caprichosa e individualista do homem, presente nas personagens da realeza, e a densidade psicológica e a condição angélica das personagens que sobressaem do povo. Para ajudar os alunos do Ensino Secundário na compreensão e exploração desta obra, Conceição Jacinto e Gabriela Lança dedicam-lhe um volume da coleção Estudar Português, através do qual dão a conhecer informação completa sobre a biografia do autor e o enquadramento histórico-literário, partindo depois para a análise em concreto da obra a acção, as personagens, o tempo, o espaço, etc. Incluídos nesta coleção estão também volumes sobre O Amor de Perdição, Os Maias, Frei Luís de Sousa, Aparição e Felizmente Há Luar!. A coleção Estudar Português é, desta forma, uma proposta de grande interesse para professores e alunos, oferecendo auxiliares preciosos que por certo contribuirão para o sucesso da aprendizagem.

Memorial del convento Verso Books

2022: AÑO SARAMAGO Una emocionante novela histórica. Una historia de amor imposible de olvidar. Un personaje femenino memorable. «Hasta una simple palabra sobra si es la vida la que está cambiando». Érase una vez un rey que hizo la promesa de construir un convento en Mafra. Érase una vez la gente que construyó ese convento. Érase una vez un soldado manco y una mujer que tenía poderes. Érase una vez la historia de un amor sin palabras de amor. Érase una vez un cura que quería volar y murió loco. Érase una vez un músico. Érase una vez una passarola. Érase una vez. La crítica ha dicho: «Son muchos los ecos que esta novela fascinante deja en la memoria, pero, sobre todo, el de su historia de amor resuena sobre el resto de la acción como una flauta en medio de una gran orquesta». The New York Times Book Review «Saramago vuelve comprensible una realidad huidiza, con paráboles sostenidas por la imaginación, la compasión y la ironía». Comité Nobel «Un hombre con una sensibilidad y una capacidad de ver y de entender que están muy por encima de lo que en general vemos y entendemos los comunes mortales». Héctor Abad Faciolince «Saramago es un ejemplo, un estilo dignísimo de vida y literatura, que demuestra la posibilidad de navegar a contracorriente [...]. Su palabra tiene el valor de un anticongelante, de un remedio personal contra los vendavales de cinismo que nos envuelven». Luis García Montero «Yo no sé, ni quiero saberlo, de dónde ha sacado Saramago ese diabólico tono narrativo, duro y piadoso a un tiempo, [...] que le permite contar tan cerca del corazón y a la vez tan cerca de la historia». Luis Landero «Saramago escribe novelas sobre los mitos para desmitificarlos, [...] siempre para abordar la realidad que le rodea, para tratar de los problemas actuales que son de todos, y para que todo quede claro desde el principio». Rafael Conte, Babelia «Como Günter Grass o Cees Nooteboom, Saramago aspira a enlazar con un público que desborde límites nacionales». El País The Women in the Castle GRIN Verlag Studienarbeit aus dem Jahr 1999 im Fachbereich Romanistik - Portugiesische Sprache, Literatur, Landeskunde, Note: 2, Universität zu Köln (Portugiesisch-Brasilianisches Institut), Veranstaltung: Mündlichkeit und Schriftlichkeit in den portugiesischsprachigen Kulturen, 10 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: In einem Interview sagte José Saramago, daß er letztendlich das niederschreibe, was er als innere Stimme höre. Er sieht den Leser als Zuhörer einer polyphonen Rede, der während der Lektüre das Gelesene re-oralisiert und somit den tieferen Sinn dieser Rede, zusammen mit Rhythmus, Klang, in Sprechpausen Verschwiegenem und mitgedachter Gestik erschließt. Dabei sollen fehlende Interpunktions- und Undifferenzierung der Erzähler- und Figurenreden dem Leser die mündliche Rezeption erleichtern. Nach dem Versuch einer Begriffsbestimmung von "Oralität" wird in dieser Arbeit an Beispielen dargelegt, welche Schreibtechniken Saramago im 1982 erschienenen Roman MEMORIAL DO CONVENTO einsetzt, um mündliches Erzählen zu fingieren. Einer näheren Bestimmung der Kennzeichen mündlicher Literatur folgt abschließend eine Charakterisierung der für Saramago typischen "oralidade escrita".

The Double Houghton Mifflin Harcourt

Con motivo del 50 aniversario de Alfaguara, este título ha sido elegido como uno de los 50 imprescindibles de la historia de la editorial. En Memorial del convento José Saramago realiza una incursión en la narrativa histórica. El volumen recorre un periodo de aproximadamente 30 años en la historia de Portugal durante la época de la Inquisición. El planteamiento

registra no sólo el hecho histórico, sino que reconstruye la vida popular de la época, en un recorrido por los diferentes pueblos de los alrededores de Lisboa. El rey D. João V. necesitaba herederos y, como doña María Ana no los concebía, él promete levantar un convento en Mafra a cambio de tener herederos. Simultáneamente, asistimos a la vida cotidiana del pueblo a través de la visión de un soldado que perdió la mano izquierda en la guerra contra los españoles. En un auto de la Inquisición, Baltasar conoce a Blimunda, una mujer con poderes mágicos que ve dentro de las personas, y cuya madre fue desterrada a Angola por tener poderes semejantes. Desafiando los rigores de la religión, ambos se casan mediante un ritual de sangre. Baltasar se convierte en ayudante del padre Bartolomeu, que, bajo la protección del rey, trabajaba en inventar una máquina para volar. La máquina de volar simboliza dos ideales: los cultos, representados por el propio padre Bartolomeu, y los populares, personificados en Blimunda y Baltasar. Una narración directa, sin concesiones, vigorosa y rica. Saramago da al lenguaje de esta novela el tono de las narraciones históricas y realiza con él verdaderos malabarismos sintácticos. ENGLISH DESCRIPTION A "brilliant...enchanting novel" (New York Times Book Review) of romance, deceit, religion, and magic set in 18th Century Portugal. In the midst of the terrors of the Inquisition, a seemingly mismatched couple discovers the wonders of love. This rich, irreverent tale, full of magic and adventure and graced with extraordinary historical detail, is a tapestry of human folly and human will. "An enchanting novel [with a] love story which soars over the rest of the action like a flute above a heavy orchestra." -The New York Times Book Review"

A personagem Blimunda em Memorial Do Convento, de José Saramago Seven Stories Press

A produção literária de José de Sousa Saramago, autor português, configura-se em âmbito internacional, no exercício das diferentes estéticas do gênero romanesco, entre eles, o Novo Romance Histórico, que possui em sua obra Memorial do Convento, publicada em 1982, um dos mais significativos exemplares do gênero composto pelo escritor. O escopo desta pesquisa é proporcionar ao estudante do Ensino Médio e aos docentes o produto educacional Roteiro de leitura, com o intuito de promover a efetivação do processo literário e a reflexão crítica em torno do romance. O problema está na rejeição de alguns estudantes para apreciação de um livro, mesmo quando esse não se constitui como obra canônica. Justifica-se a utilização do produto mencionado devido à resistência de alguns estudantes na leitura de cânone

literários, por se associarem a uma linguagem mais complexa e, muitas vezes, arcaica. Desse modo, a obra de José Saramago agrega uma escolha lexical e sintática particular, o que demanda um guia para amparar o leitor nos aspectos estruturais e semânticos da obra. De acordo com a proposta híbrida de ensino da contemporaneidade, ancorada por Rojo, definiu-se a disponibilidade do roteiro na versão book creator para acesso on-line.

Autora: Eliane Cristina Perry ? A proposta desta dissertação é a leitura em cotejo de dois textos representativos das literaturas de Portugal e da Itália no século XX, respectivamente, Memorial do convento (1982), de José Saramago (1922-2010), e Il Gattopardo (1958), de Giuseppe Tomasi di Lampedusa (1896-1957). Após a análise dos textos, verificamos de que forma as histórias foram reconfiguradas na ficção e de que modo foram representadas a identidade portuguesa e a dos século-italianos para estabelecer um contraponto entre os textos, no que concerne à história e à identidade. ? José Saramago et la question de l'Histoire dans "Memorial do Convento" Editora Replicac~ao

O objetivo desta dissertação é apreender os elementos relativos à tradição e à transgressão na personagem ficcional Blimunda, no romance Memorial do Convento, 1982, de José Saramago, de maneira a verificar como é que o potencial de criação presente em sua estruturação se manifesta, conduzindo-nos a uma reflexão sobre a realidade e a ficção, verificando como esta personagem, enquanto elemento narrativo, atinge relevante importância no enredo, exatamente pelo seu traço criativo, reflexivo e crítico. Nossa investigação procurou observar esses elementos e em que medida esta personagem constitui-se em uma heroína que, ao mesmo tempo em que obedece aos códigos sociais e morais determinados pela classe dominante do século XVIII, em especial, neste romance, o lusitano - Estado e Igreja - transgride-os, definindo sua existência enquanto ser, não apenas um indivíduo, mas representante de um grupo de indivíduos que luta por transformações sociais significativas em busca de sua plenitude, a fim de dar um real sentido para sua existência humana, tornando a sociedade mais justa e mais humana. Sob essa perspectiva, nosso ponto de partida é o exame, baseado na teoria desenvolvida por Lucien Goldmann, das personagens femininas D. Maria Ana Josefa, a rainha, e Inês Antónia em confronto de suas ações, pensamentos, desejos, ansiedades e frustrações, em seus percursos, com as ações desenvolvidas durante a narrativa por Blimunda. Narração, maravilhoso, trágico e sagrado em Memorial do convento de José Saramago ALFAGUARA

From the Nobel Prize-winning author: "A capacious, funny, threatening novel" of wandering souls and political upheaval in 1930s Portugal (The New York Times Book Review). The year is 1936, and the dictator António de Oliveira Salazar is establishing himself in Portugal, edging his country toward civil war. At the same time, Dr. Ricardo Reis has returned home to Lisbon after a long sojourn in Brazil. What's brought him back is word that the great poet, Fernando Pessoa, has died. With no intention of resuming his practice, Reis now dabbles in his own poetry, wastes his days strolling the boulevards and back streets, engages in affairs with two different women—and is followed through each excursion by Pessoa's ghost. As a fascist revolution roils, and as Reis's path intersects with three relative strangers—two living,

one dead—Reis may finally discover the reality of his own chimerical existence. "A rich story about human relationships and dreams."—The New York Times Called "a magnificent tour-de-force, perhaps one of the best novels published in Europe since World War II" (The Bloomsbury Review) and "altogether remarkable" (The Wall Street Journal), The Year of the Death of Ricardo Reis is a PEN Award winner and stands among the finest works by the author of Blindness. The Women in the Castle stands tall among the literature that reveals new truths about one of history's most tragic eras."—USA Today Three women, haunted by the past and the secrets they hold Set at the end of World War II, in a crumbling Bavarian castle that once played host to all of German high society, a powerful and propulsive story of three widows whose lives and fates become intertwined—an affecting, shocking, and ultimately redemptive novel from the author of the New York Times Notable Book The Hazards of Good Breeding. Amid the ashes of Nazi Germany's defeat, Marianne von Lingenfels returns to the once-grand castle of her husband's ancestors, an imposing stone fortress now fallen into ruin following years of war. The widow of a resister murdered in the failed July 20, 1944, plot to assassinate Adolf Hitler, Marianne plans to uphold the promise she made to her husband's brave conspirators: to find and protect their wives, her fellow resistance widows. First Marianne rescues six-year-old Martin, the son of her dearest childhood friend, from a Nazi reeducation home. Together, they make their way across the smoldering wreckage of their homeland to Berlin, where Martin's mother, the beautiful and naive Benita, has fallen into the hands of occupying Red Army soldiers. Then she locates Ania, another resister's wife, and her two boys, now refugees languishing in one of the many camps that house the millions displaced by the war. As Marianne assembles this makeshift family from the ruins of her husband's resistance movement, she is certain their shared pain and circumstances will hold them together. But she quickly discovers that the black-and-white, highly principled world of her privileged past has become infinitely more complicated, filled with secrets and dark passions that threaten to tear them apart. Eventually, all three women must come to terms with the choices that have defined their lives before, during, and after the war—each with their own unique share of challenges. Written with the devastating emotional power of The Nightingale, Sarah's Key, and The Light Between Oceans, Jessica Shattuck's evocative and utterly enthralling novel offers a fresh perspective on one of the most tumultuous periods in history. Combining piercing social insight and vivid historical atmosphere, The Women in the Castle is a dramatic yet nuanced portrait of war and its repercussions that explores what it means to survive, love, and, ultimately, to forgive in the wake of unimaginable hardship.

The denizens of a rundown building in 1940s Lisbon come to sparkling life in this lost early novel by the Nobel Prize-winning author of Blindness. The renowned Portuguese author Jose Saramago was at the beginning of his career when he submitted his novel Skylight for publication in 1953. It then sat lost among stacks of manuscripts for thirty-six years. Published posthumously according to Saramago's wishes, the world can finally enjoy this "fascinating and startlingly mature work" set in 1940's Lisbon (Boston Globe). The inhabitants of a faded apartment building are struggling to make ends meet: Silvio the cobbler and his wife take in a disaffected young lodger; Dona Lídia, a retired prostitute, is kept by a businessman with a roving eye. Humble salesman Emilio's Spanish wife is in a permanent rage; beautiful Claudinha's boss lusts for her; Justina and her womanizer husband live at war with each other. Happy marriages, abusive relationships, jealousy, gossip, love—Skylight is a portrait of ordinary people painted by the master of the quotidian, a great observer of the immense beauty and profound hardship of the modern world. "There is no shortage of wonders to be found in [Skylight]." —Washington Post

Thought-provoking and lyrical, The Notebook records the last year in the life of José Saramago. In these pages, beginning on the eve of the 2008 US presidential election, he evokes life in his beloved city of Lisbon, revisits conversations with friends, and meditates on his favorite authors. Precise observations and moments of arresting significance are rendered with pointillist detail, and together demonstrate an acute understanding of our times. Characteristically critical and uncompromising, Saramago dissects the financial crisis, deplores Israel's punishment of Gaza, and reflects on the rise of Barack Obama. The Notebook is a unique journey into the personal and political world of one of the greatest writers of our time.

"A romance and an adventure, a rumination on royalty and religion in 18th-century Portugal and a bitterly ironic comment on the uses of power." —The New York Times Portugal, 1711. The Portuguese king promises the greedy prelates of the Church an expansive new convent, should they intercede with God to give him an heir. A lonely priest works in maniacal solitude on his Passarola, a heretical flying machine he hopes will allow him to soar far from the madness surrounding him. A young couple, brought together by chance, live out a sweet, if tormented, romance. Meanwhile, amid the fires and horrors of the Inquisition, angry crowds and abused peasants rejoice in spectacles of cruelty, from bullfighting to auto-da-fe; disgraced priests openly flout God's laws; and chaos reigns over a society on the brink of disaster. Weaving together multiple storylines to present both breathtaking fiction and incisive commentary, renowned Portuguese writer and winner of the 1998 Nobel Prize in Literature, José Saramago spins an epic and captivating yarn, equal parts historical fiction, political satire, religious criticism, and whimsical romance. Hailed by USA Today as "an unexpected gem," Baltasar and Blimunda is a captivating literary tour de force, full of

magic and adventure, exquisite historical detail, and the power of both human folly and human will.

The Cave

A "wonderfully twisted meditation on identity and individuality" from a Nobel Prize-winning author who pushes fiction to its very limits (*The Boston Globe*). As this novel by the author of *Blindness* and *All the Names* begins, Tertuliano Máximo Afonso is a divorced, depressed history teacher. To lift his spirits, a colleague suggests he rent a certain video. Tertuliano watches the film, unimpressed. But during the night, when he is awakened by noise, he finds the VCR replaying the video and watches in astonishment as a man who looks exactly like him—or, more specifically, exactly like he did five years earlier, mustachioed and fuller in the face—appears on the screen. Against his own better judgment, Tertuliano decides to pursue his double. As he roots out the man's identity, what begins as a whimsical chase becomes a probing investigation into what makes us human. Can we be reduced to our outward appearance, rather than the sum of our experiences? The inspiration for the film *Enemy* starring Jake Gyllenhaal and directed by Denis Villeneuve, *The Double* is a timeless novel from a writer John Updike described in *The New Yorker* as "like Faulkner, so confident of his resources and ultimate destination that he can bring any impossibility to life by hurling words at it." "It's tempting to think of [The Double] as his masterpiece." —*The New York Times* Translated from the Portuguese by Margaret Jull Costa
