The God is Not Willing.
Many years have passed
since three warriors
brought carnage and
chaos to Silver Lake. Now
the tribes of the north no
longer venture into the
southlands. The town has
recovered and yet the

legacy remains. Responding to reports of a growing unease among the tribes beyond the border, the Malazan army marches on the new god's people. They aren't quite sure what they're going to be facing. And in those high mountains, a new warleader has risen amongst the Teblor. Scarred by the deeds of Karsa Orlong, he intends to confront his god even if he has to cut a bloody swathe through the Malazan Empire to do so. Further north, a new threat has emerged and now it seems it is the Teblor who are running out of time. Another long-feared migration is about to begin and this time it won't just be three warriors. No, this time tens of thousands are

poised to pour into the lands to the south. And in their way, a single company of Malazan marines . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Crystal Rain Tor Books
A sweeping tale of revolution and wonder in a world not quite like our own, *A Declaration of the Rights of Magicians* is a genre-defying story of magic, war, and the struggle for freedom in the early modern world. It is the Age of Enlightenment -- of new and magical political movements, from the necromancer Robespierre calling for a revolution in France, to the weather mage Toussaint L'Ouverture leading the slaves of Haiti in their fight for freedom, to the

bold new Prime Minister William Pitt weighing the legalization of magic amongst commoners in Britain and abolition throughout its colonies overseas. But amidst all of the upheaval of the early modern world, there is an unknown force inciting all of human civilization into violent conflict. And it will require the combined efforts of revolutionaries, magicians, and abolitionists to unmask this hidden enemy before the whole world falls to darkness and chaos. Praise for *A Declaration of the Rights of Magicians*: "A rich, sprawling epic full of history and magic, *A Declaration* is Jonathan Strange with international politics and vampires. I loved it." Alix E. Harrow, Hugo Award-winning author "A witty, riveting historical fantasy...Parry has a historian's eye for period

detail and weaves real figures from history-including Robespierre and Toussaint L'Ouverture-throughout her poetic tale of justice, liberation, and dark magic. This is a knockout." Publishers Weekly (starred review) *The Shadow Histories* *A Declaration of the Rights of Magicians* *A Radical Act of Free Magic* For more from H. G. Parry, check out *The Unlikely Escape of Uriah Heep*. *Willful Child* Macmillan All is not well in Lamentable Moll. A sinister, diabolical killer stalks the port city's narrow, barrow-humped streets, and panic grips the citizens like a fever. Emancipor Reese is no exception, and indeed, with his legendary ill luck, it's

worse for him than for most. Not only was his previous employer the unknown killer's latest victim, but Emancipor is out of work. And, with his dearest wife terminally comfortable with the manner of life to which she asserts she has become accustomed (or at least to which she aspires) -- for her and their two whelps -- all other terrors grow limp and pale for poor Emancipor. But perhaps his luck has finally changed, for two strangers have come to Lamentable Moll... and they have nailed to the centre post in Fishmonger's Round a note requesting the services of a manservant. This is surely a remarkable opportunity for the hapless Emancipor Reese... no matter that the note reeks with death-warded magic; no matter that the barrow ghosts themselves howl with fear every night; and certainly no matter that Lamentable Moll itself is about to erupt in a frenzy of terror-inspired anarchy....

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk,

alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Nona the Ninth Orbit

The discovery of a sealed vault triggers discord throughout Darujhistan, where a merchant tries to drive out Malazans, a thief gambles with the fate of the city, and a Malazan veteran seeks his fortune in Moon's Spawn fragments.

The Wurms of

Blearmouth Random House

Marking the return

of many characters from "Gardens of the Moon" and introducing a host of remarkable new players, this novel is both a momentous new chapter in Erikson's magnificent epic fantasy and a triumph of storytelling.

The Fiends of Nightmaria Dark Shores

The only hope for a planets delivery from the fearsome Azteca lies in a mythical artifact said to be hidden somewhere in the frozen north. Tobias S. Buckell is a dazzling new voice, and "Crystal Rain" is an explosive debut.--Hugo Award

winner Robert J. Sawyer ("Hominids").
Malazan Book of the Fallen: Books 1-4

The necromancers Bauchelain and Korbal Broach - reapers of the souls of the living, devourers of hope and modest personifications of evil - have a lot to answer for. And answer they will. But first they must lie, murder and cheat their way through three more escapades in some of the more deprived fringes and impoverished communities of the Malazan Empire. Much to the shame of their long-

suffering general factotum, Emancipoor Reese . . . Here then - for readers' delectation and entertainment - are those escapades, namely the novellas The Crack'd Pot Trail, The Wurms of Blearmouth and The Fiends of Nightmaria . . .

In war everyone loses. This brutal truth can be seen in the eyes of every soldier in every world... In Letherii, the exiled Malazan

army commanded by Adjunct Tavore begins its march into the eastern Wastelands, to fight for an unknown cause against an enemy it has never seen. And in these same Wastelands, others gather to confront their destinies. The warlike Barghast, thwarted in their vengeance against the Tiste Edur, seek new enemies beyond the border and Onos Toolan, once immortal T'lan Imass now mortal commander of the White Face clan, faces insurrection. To the south, the Perish Grey Helms parlay passage through the treacherous kingdom of Bolkando. Their intention is to rendezvous with the Bonehunters but their vow of allegiance to the Malazans will be sorely tested. And

ancient enclaves of an Elder Race are in search of salvation—not among their own kind, but among humans—as an old enemy draws ever closer to the last surviving bastion of the K'Chain Che'Malle. So this last great army of the Malazan Empire is resolved to make one final defiant, heroic stand in the name of redemption. But can deeds be heroic when there is no one to witness them? And can that which is not witnessed forever change the world? Destinies are rarely simple, truths never clear but one certainty is that time is on no one's side. For the Deck of Dragons has been read, unleashing a dread power that none can comprehend... In a

faraway land and
beneath indifferent
skies, the final
chapter of 'The

The Malazan Empire Series

Tor Books
From the New York Times Bestselling author Steven Erikson comes a new science fiction novel of devil-may-care, near-calamitous and downright chaotic adventures through the infinite vastness of interstellar space.

These are the voyages of the starship A.S.F. Willful Child. Its ongoing mission: to seek out strange new worlds on which to plant the Terran flag, to subjugate and if necessary obliterate new life-forms, to boldly blow the... And so we join the not-terribly-bright but exceedingly cocksure Captain Hadrian Sawback and his motley crew on board the Starship Willful Child for a series of devil-may-care, near-calamitous and downright chaotic adventures through 'the infinite vastness of

interstellar space.' The New York Times bestselling author of the acclaimed Malazan Book of the Fallen sequence has taken his lifelong passion for Star Trek and transformed it into a smart, inventive, and hugely entertaining spoof on the whole mankind-exploring-space-for-the-good-of-all-species-but-trashing-stuff-with-a-lot-of-high-tech-gadgets-along-the-way, overblown adventure. The result is an SF novel that deftly parodies the genre while also paying fond homage to it.

Thomas Senlin and his crew of outcasts have been separated, and now they must face the dangers of the labyrinthine tower on their own in this third book in the word-of-mouth phenomenon fantasy series. "One of my favorite books of all time." -- Mark Lawrence on Senlin Ascends Fearing an uprising, the Sphinx sends Senlin to investigate a plot that has taken hold in the ringdom of

Pelphia. Alone in the disappearance of a city, Senlin infiltrates a bloody arena where hods battle for the public's entertainment. But his investigation is quickly derailed by a gruesome crime and an unexpected reunion. Posing as a noble lady and her handmaid, Voleta Iren attempt to reach Marya, who is isolated by her fame. While navigating the court, Voleta attracts the unwanted attention of a powerful prince whose pursuit of her threatens their plan. Edith, now captain of the Sphinx's fierce flagship, joins forces with a fellow wakeman to investigate the disappearance of a beloved friend. She must decide who to trust as her desperate search brings her nearer to the Black Trail where the hods climb in a darkness and whisper of the Hod King. As Senlin and his crew become further dragged in to the conspiracies of the Tower, everything falls to one question: Who is The Hod King?

Assail An epic adventure in the extraordinarily imagined world of Malaz! Ian C. Esslemont co-created the world

of Malaz with his friend Steven Erikson, and Esslemont's Novels of the Malazan Empire are set in the same world as Erikson's Malazan Book of the Fallen. Night of Knives On the highly prophesized night of the Shadow Moon, the various sects of the shore city prepare for what they fear could be a collision of ancient worlds and demons. Return of the Crimson Guard The return of the mercenary company, the Crimson Guard, could not have come at a worse time for a Malazan Empire exhausted by

warfare and weakened by betrayals and rivalries. There are those who wonder whether the Empress Laseen might not be losing her grip on power... Stonewielder Greymane believed he'd outrun his past. With his school for swordsmanship in Falar, he was looking forward to a quiet life, despite his colleague Kyle's misgivings. However, it seems it is not so easy for an ex-Fist of the Malazan Empire to disappear, especially one

under sentence of death. Orb Sceptre Throne Darujhistan, city of dreams, city of blue flames, is peaceful at last; its citizens are free to return to politicking, bickering, trading, and enjoying the good things in life. Yet there are those who will not allow the past to remain buried... Blood and Bone On the continent of Jacuruku, the Thaumaturgs have mounted yet another expedition to tame the neighboring wild jungle. Yet this is no normal wilderness. It is called Himatan, and

it is said to be half of the spirit realm and half of the earth. Assail Tens of thousands of years of ice is melting, and the land of Assail, long a byword for menace and inaccessibility, is at last yielding its secrets.
