Twelve selected adventures of Robin Hood and his outlaw band who stole from the rich to give to the poor.

### **The Merry Adventures of Robin Hood**

**Illustrated** DigiCat

IT must have been a sight well worth seeing when a knight mounted his horse and galloped away from a castle. Of course his armor was polished and shining, and, as Lowell says of Sir Launfal, he "made morn through the darksome

gate." The children of the castle especially must have watched him with the greatest interest. The girls looked wistfully at the scarf or glove on his helmet, each one hoping that he who would some day wear her colors would be the bravest man that ever drew a sword. As for the boys, they could hardly wait for the day to come when they, too, could don glittering armor and sally forth into the world in quest of adventures. Even the youngest of these

walked on stilts, much as if they belonged to the twentieth century. Of course they played at being knights, just as boys to-day play at being merchants or manufacturers. There is an old picture of some pages, as these boys were called, playing that two toy knights mounted on wooden horses are having a contest. The two horses are pushed toward each other, and if either knight is struck by the spear of the other and thrust out of his place he is vanquished.

### Men of Iron CreateSpace

*Men of Iron* is an 1891 novel by the American author Howard Pyle, who also illustrated it. Set in the 15th century, it is a juvenile "coming of age" work in which a young squire, Myles Falworth, seeks not only to become a knight but to eventually redeem his father's honor. In Chapter 24 the knighthood ceremony is presented and described as it would be in a non-fiction work concerning knighthood and chivalry.

Descriptions of training equipment are also given throughout.

*Howard Pyle's Book of Pirates* Good Press

Howard Fast's bestselling coming-of-age novel about

one boy's introduction to the horrors of war amid the brutal first battle of the American Revolution On April 19, 1775, musket shots ring out over Lexington, Massachusetts. As the sun rises over the battlefield, fifteen-year-old Adam Cooper stands among the outmatched patriots, facing a line of British troops. Determined to defend his home and prove his worth to his disapproving father, Cooper is about to embark on the most significant day of his life. The Battle of Lexington and Concord will

---

be the starting point of the American Revolution—and when Cooper becomes a man. Sweeping in scope and masterful in execution, April Morning is a classic of American literature and an unforgettable story of one community's fateful struggle for freedom. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

Filled with all the things a good tale should have-from fiery dragons and savage lions to a clever princess and a handsome hero-this storyteller's favorite is here paired with spectacular art from Caldecott medalist Trina Schart Hyman. The original edition won the 1973 Boston Globe-Horn Book Award for Illustration.

**The Story of the Grail and the Passing of Arthur** Open Road Media Men of Iron is an 1891 novel by the American author Howard Pyle, who also illustrated it. Set in

the 15th century, it is a juvenile -coming of age- work in which a young squire, Myles Falworth, seeks not only to become a knight but to eventually redeem his father's honor. In Chapter 24 the knighthood ceremony is presented and described as it would be in a non-fiction work concerning knighthood and chivalry. Descriptions of training equipment are also given throughout. PLOT: The story begins in 1400, the year after the deposition of

Richard II of England by Henry of Bolingbrooke, thereafter Henry IV. Lord Gilbert Reginald Falworth is attainted for being King Richard's councilor, who strongly advised him to resist his cousin Henry's movement to seize the throne, and for protecting The Earl of Alban, a fictional conspirator against the succeeding King Henry. Falworth is blinded in a trial by combat with William Bushy Brookhurst, later created Earl of Alban, whom

---

young Myles, son of Lord Falworth, remembers brutally killing Sir John Dale in the hall of Falworth castle where he lived with his parents. Howard Pyle (March 5, 1853 - November 9, 1911) was an American illustrator and author, primarily of books for young people. A native of Wilmington, Delaware, he spent the last year of his life in Florence, Italy. <i>Some Merry Adventures of Robin Hood</i> Canon Press & Book Service The star and creative	force behind Mr. Show and Arrested Development pens his "first and final book, chronicling his meteoric rise and abysmal fall in the literary world." After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as "never-nude" Tobias Funke on Arrested Development and the role of "David" in Mr. Show With Bob And David, as	well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say
--	---	--

---

about everyone, including his own ridiculous self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belush"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill

O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created solely for the book-a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least favorite Rabbi and a top-ten list of top-ten lists, I Drink for a

Reason is as unique as the comedian himself, and cannot be missed.

*The Wonder Clock* Grand Central Publishing Inventively retold and vividly illustrated, these stories describe the perilous and thrilling adventures of King Arthur and his knights in that glorious age of chivalry and honor. 41 illustrations. Howard Pyle - Men of Iron Courier Corporation Howard Pyle's classic tale of magic, bravery, and honor tells of the adventures of

---

King Arthur. From the time young Arthur pulled the fabled sword from the stone, he was a just king. As the head of the Round Table, King Arthur led the most gallant men and brought peace to the land. King Arthur's most dramatic struggles are retold in the Calico Illustrated Classics adaptation of Pyle's *King Arthur and the Knights of the Round Table*. Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-8.

Publishing Platform  
1333. Edward III is at war with Scotland. Nineteen-year-old Sir Harry de Lyon yearns to prove himself, and jumps at the chance when a powerful English baron, William Montagu, invites him on a secret mission with a dozen elite knights. They ride north, to a crumbling Scottish keep, capturing the feral, half-starved boy within and putting the other inhabitants to the sword. But nobody knows why the flower of English knighthood snuck over the border to capture a savage, dirty teenage boy. Montagu gives the boy to Harry as his squire, with only two rules:

don't let him escape, and convert him to the English cause. At first, it's hopeless. The Scottish boy is surly and violent, and eats anything that isn't nailed down. Then Harry begins to notice things: that, as well as Gaelic, the boy speaks flawless French, with an accent much different from Harry's Norman one. That he can read Latin too. And when Harry finally convinces the boy – Iain mac Maíl Coluim – to cut his filthy curtain of hair, the face revealed is the most beautiful thing Harry has ever seen. With Iain as his squire, Harry wins tournament after tournament and becomes a favourite of the King. But

---

underneath the pageantry smoulder twin secrets: Harry and Iain's growing passion for each other, and Iain's mysterious heritage. As England hurtles towards war once again, these secrets will destroy everything Harry holds dear.

### **The Garden Behind the Moon**

The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin

---

Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented "old English" idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century
