27 Truths Capstone

From the Hugo and Nebula Award winning author of *Swordheart* and *The Twisted Ones* comes a saga of murder, magic, and love on the far side of despair.

Long Shot MJ Fields

From USA Today Bestselling author, MJ Fields, comes a gripping story of love and its many truths. Once upon a time, Luke Lane loved a little, stubborn, delusional girl, and that little girl was me. My fairytale happy ever after always included my black-haired, blue-eyed, knight in shining armor, and that knight was Luke Lane. Then I grew up and convinced myself that it wasn't a fairytale after all. It was Fate. I twisted Fate to make her story come to life, but Fate fought back, and now I am looking at a man I still

love, but he doesn't feel the same. I have to walk away. Not just for me, but for him. And not for the version of him who broke my heart, but for the version who was truly a knight in shining armor to the little girl I was, so many fairy tales ago. **** A note for the readers**** This story has been begging to be told for two years. Although not necessary, *The Blue Valley*, *Brody Hines*, and *The Burning Souls* series can be read before *The Truth About Love*. This is not Steel or Caldwell, but at the core is a strong family just the same. It does not promise a typical HEA or laughs. This is heart, heat, and will evoke feelings that are not always pleasant. *Flesh and Steel* MJ Fields Book 1 in the Men of Steel series Jase Steel is a twenty two year old hot tattooed and pierced bad boy who works at his family's tattoo shop FOREVER STEEL with his brothers. His good looks will tempt anyone to walk on the wild side and that's exactly where he

wants to be. But his interest is immediately peaked when he meets Carly, his best friend's cousin. And even though his friend will not approve, Jase can't help himself. After tricking Carly to "fake date" him, he realizes that there is so much more to the beautiful girl, as the situations that surround Carly at all times are hysterical, yet heart warming. Jase falls hard and fast for her, but some painful secrets from his past may keep him away until it's too late.

I remember when I thought my life would be like the fairy tales I read about. I'd do anything to go back in time when everything was so simple. When my knight in shining armor had a face and a name. When my biggest secret was that I snuck out at night to watch the stars. I'm worried that there's a sickness in me, swallowing me whole. I don't understand what's happening to me. I don't understand why the only person I can find solace in is someone I can't see. I should want

justice. But I don't. I want revenge. I need vengeance like I need the air I breathe. No one can feel my pain. No one can see just how badly I've been burned. I've danced in the flames my whole life. I know how to live in the fire. But I've never come out unscathed. A piece of me always turns to ash and there is no going back. I can never be that little girl again. I'm no princess. I'm the villain. I've been consumed by the flames, and I want everything in my path to burn.
