Contemporary philosophy are by no means simply the exposition and defense of Habermas and Derrida, for Marsh and Caputo bring to the discussion their own long formation in continental philosophy as interpreted and practiced in North America. Moreover, given their even longer formation in the Christian tradition, they are not bound by the dogmatic secularism of Habermas and Derrida. But the point of contact is not so much religious as political, and the fundamental.

""The contributors represent varying outlooks in New Testament study so that the book offers a continuation of the current debate rather than a set of agreed conclusions. The editors of this symposium deserve our thanks for bringing together this series of useful essays which no student of the social teaching in the New Testament and of Luke's writings in particular ought to miss."" --I. Howard Marshall, Professor of New Testament Exegesis, University of Aberdeen
""Various phases of Luke's challenge (to the powers of his day) are discussed in some detail by the contributors to this symposium; and, in consequence, much light is thrown on Luke's purpose in writing. I am happy to commend this new volume of studies to the serious attention of students and teachers of the New Testament and early Christian history."" --F. F. Bruce, Rylands Professor of Biblical Criticism and Exegesis, University of Manchester
""These lively, provocative, and well-informed essays center around the thesis of Dr. Richard J. Cassidy in his Jesus, Politics, and Society, in which he challenges the notion that Luke-Acts was written as a political apologetic. The result is a stimulating debate, as though one were participating in a discussion, at once learned and relevant, on the exegetical issue of Lukan redaction, and of course, on the moral question of Jesus' attitude toward civil authority."" -Howard Clark Kee, William Goodwin Aurelio Professor of Biblical Studies, Boston University
""Here we have ten studies which sharply probe aspects of the political Luke and/or Luke's political Jesus, including a study by Cassidy himself as well as studies which take him to task on various counts. All told, Political Issues in Luke-Acts is an extremely

valuable showcase of the most current research in Luke-Acts and its societal concerns."" --Edward C. Hobbs, Professor of Religion, Wellesley College, Visiting Professor of New Testament, Harvard University

FROM THE WINNER OF THE NOBEL PRIZE FOR LITERATURE Katharina Blum is pretty, bright, hard-working and at the centre of a big city scandal when she falls in love with a young radical on the run from the police. Portrayed by the city's leading newspaper as a whore, a communist and an atheist, she becomes the target of anonymous phone calls and sexual threats. Blum's life is systematically undone by the distortions of a corrupt press, concerned only with presenting the most salacious story. This is a chilling and unforgettable novel from a Nobel Prize-winning writer.

Cited by the Nobel Prize committee as the “ crown ” of Heinrich Böll ’ s work, the gripping story of Group Portrait With Lady unspools like a suspenseful documentary. Via a series of tense interviews, an unnamed narrator uncovers the story—past and present—of one of Böll ’ s most intriguing characters, the enigmatic Leni Pfeiffer, a struggling war widow. At the center of her struggle is her effort to prevent the demolition of her Cologne apartment building, a fight in which she is joined by a motley group of neighbors. Along with her illegitimate son, Lev, she becomes the nexus of a countercultural group rebelling against Germany ’ s dehumanizing past under the Nazis ... and what looks to be an equally dehumanizing future under capitalism.

Vaclav Havel is one of the most important European writers of our time. In 1979 he was sentenced to four and a half years of hard labour for his involvement in the Czech human rights movement, Charter 77. In prison he was allowed to write to his wife, Olga, once a week. He used the opportunity for profound reflections, on theatre, society and philosophy. These letters form a remarkable document, and a work of lasting value.'From Havel, we learn that the true heroes of our time are those who stay the course.' Bruce Chatwin
