The Globe Geography Readers

Mental Arithmetic

The format of Mental Arithmetic differs from that of traditional mental arithmetic materials in that pupils read the

questions themselves, use rough paper for workings out, and write down their answers. It provides intensive practice in all areas of the maths curriculum.

The Bookseller and the Stationery Trades' Journal

Schofield & Sims Limited

The First Mental Arithmetic Answers book provides the correct answers to all the questions contained in the corresponding workbook.

Answers to the Check-up tests are included, together with the photocopiable Group record sheets and an additional photocopiable

Check-up.

Answer Book **Effective Mental Arithmetic**

Mathewmatician

The format of Mental Arithmetic differs from that of traditional mental arithmetic materials in that pupils read the questions themselves, use rough paper for workings out, and write down their answers. It

provides intensive practice in all areas of the maths curriculum.

Schofield & Sims
Limited

Features the complete set of answers to the exercises in Mathematics Year 6, as well as a selection of photocopiable worksheets to save you time and enable you to identify areas requiring further attention. The book includes diagrams and workings where necessary, to ensure

pupils understand how to present their answers, as well as photocopiable worksheets at the back of the book. Also available from Galore Park

Mental Arithmetic
This book contains ten complete mental maths practice tests, complete with answers. Accompanying the book is an audio CD containing all six tests. The recording features questions with specific times

allowed for pupils to answer them, just as the pupils will have when they take a real test.
