The book covers: the W113's predecessors - the 300 SL and the 190 SL; design and development of the 230, 250 and 280 SL models, including the distinctive concave 'Pagoda' roof and the 'Californian Coupe' rear seat option; Bela Barenyi's innovations that made the 230 SL the first 'safety sports car'; rallying successes for the W113; the R107 successor, with specialist advice on 'Pagoda' restorations, and the W113 in popular culture.
