The time of prophecy approaches. The world is in turmoil. Wars, terrorism, disturbances of nature convulse civilization. A new pope moves to restore the dignity and splendor of age-old Catholic tradition and a bitter conflict ensues. Revolution threatens. The lines are sharply drawn between those who reject his mandate and those who embrace it. In a small city in Michigan, the people of Holy Martyrs parish—Dr. Catherine Anderson, the school principal, Fr. Thomas Riley, the parish priest, the Fortunatas, and a host of courageous and likable people—fight against the encroaching evil. A slice of Catholic life in a world that seems as remote as a distant land but which is as fresh as morning, bringing hope and, ultimately, triumph. A novel in which the main characters strive for what is good and beautiful and true.

White King John Wiley & Sons

Antonia Scott returns in the explosive climax in this sequel to the international bestselling book and streaming series, *Red Queen*. Antonia Scott has an unusually gifted forensic mind, whose ability to reconstruct crimes and solve baffling murders is legendary. She's the lynchpin of a top-secret project, *Red Queen*, created to work across borders and behind the scenes to solve the most devious and dangerous crimes, those that are beyond the skills of the regular police forces. But the *Red Queen* project is under attack on all fronts. Across Europe, its agents are murdering each other and cases from the past, long believed resolved, are rearing their deadly heads again. At the center of it is the mysterious Mr. White, who has been weaving a web around Antonia for a very long time. He is as smart and capable as her but, unlike her, he's a psychotic killer who has isolated Antonia Scott. Jon Gutierrez, Antonia's protector and the only person she trusts, has been kidnapped. Antonia's husband has been killed and her remaining family is in hiding. With Jon's life at stake, Mr. White gives her a seemingly innocuous challenge: solve three crimes and bring the perpetrators to justice. The only way to keep Jon alive is to play Mr. White's game, but can even Antonia win a game when she can only see part of the board?

Neufert's *Architects' Data* is an essential reference for the initial design and planning of a building project. It provides, in one concise volume, the core information needed to form the framework for the more detailed design and planning of any building project. Organised largely by building type, it covers the full range of preliminary considerations, and with over 6200 diagrams it provides a mass of data on spatial requirements. Most illustrations are dimensioned and each building type includes plans, sections, site layouts and design details. An extensive bibliography and a detailed set of metric/imperial conversion tables are included. Since it was first published in Germany in 1936, Ernst Neufert's handbook has been progressively revised and updated through 39 editions and many translations. This fourth English language edition is translated from the 39th German edition, and represents a major new edition for an international, English speaking readership. Reviews of the Previous Edition: "Neufert's *Architects' Data* was the first book I bought when I started my studies in architecture. It was invaluable for me then and it is still a useful aid in my designs." —Cesar Pelli "With this thorough rewrite Neufert has produced yet again an invaluable reference book." —*The Architects' Journal*

A new way forward for sustainable quality of life in cities of all sizes *Strong Towns: A Bottom-Up Revolution to Build American Prosperity* is a book of forward-thinking ideas that breaks with modern wisdom to present a new vision of urban development in the United States. Presenting the foundational ideas of the Strong Towns movement he co-founded, Charles Marohn explains why cities of all sizes continue to struggle to meet their basic needs, and reveals the new paradigm that can solve this longstanding problem. Inside, you'll learn why inducing growth and development has been the conventional response to urban financial struggles—and why it just doesn't work. New development and high-risk investing don't generate enough wealth to support itself, and cities continue to struggle. Read this book to find out how cities large and small can focus on bottom-up investments to minimize risk and maximize their ability to strengthen the community financially and improve citizens' quality of life. Develop in-depth knowledge of the underlying logic behind the "traditional" search for never-ending urban growth Learn practical solutions for ameliorating financial struggles through low-risk investment and a grassroots focus Gain insights and tools that can stop the vicious cycle of budget shortfalls and unexpected downturns Become a part of the Strong Towns revolution by shifting the focus away from top-down growth toward rebuilding American prosperity *Strong Towns* acknowledges that there is a problem with the American approach to growth and shows community leaders a new

way forward. The Strong Towns response is a revolution in how we assemble the places we live. An Unforgettable Cruise Booktango

"In November 1782, Vicente Gonzales de Santianes, the governor of Nuevo Leon, received a sheaf of documents from a protracted legal dispute in the Indian town of San Miguel de Aguayo. At first glance, the case seems so utterly commonplace as to be beneath the notice of the region's chief magistrate. One of San Miguel's Tlaxcalan stoneworkers had been accused of an adulterous liaison with a townswoman"—Provided by publisher.

With one foot still in its Soviet past, Belarus might not be the most obvious choice for travellers, but its isolation is at the heart of its appeal. Those who venture here will find a history rich in heroism and tragedy, set amid a landscape of primeval birch forests, snow-edged lakes and cornflower fields, replete with golden-orbed Russian Orthodox churches and villages where age-old traditions still hold sway. While it's easy for visitors to feel as though they've slipped into another time and dimension, they'll encounter singular hospitality and a genuine welcome. Nigel Roberts' *Belarus*, the only standalone guide in English to the country, combines detailed background information with expert practical advice for those seeking to take the road less travelled.

Reforming the law of taxi and private hire services The Stationery Office

This consultation paper presents the Law Commission's provisional proposals for reform of the legal framework relating to taxis and private hire vehicles. Taxis and private hire vehicles (PHVs) are an important part of local transport. They operate in highly regulated markets where safety and quality control are paramount. Licensing covers key areas such as the quality of services, the fitness of drivers, fare regulation and restrictions on the number of licenses issued. The current law on taxis and PHVs has been criticised for being complex and outdated. These proposals retain the important distinction between taxis - which can "ply for hire" on the street or a cab rank - and private hire vehicles which can only be pre-booked. But all vehicles would be subject to national minimum safety standards and, for private hire vehicles, these would replace more than 340 sets of local regulations. This will reduce the burden on business because, once appropriately licensed, a private hire firm could work freely across the country, without geographical restrictions. This would contribute to widening consumer choice and to making services cheaper and more competitive. The Commission also makes suggestions covering a wide range of issues, including improving provision for persons with disabilities, quantity restrictions and enforcement. [Law Commission website]

Dorothy Carvello knows all about the music biz. She was the first female A&R executive at Atlantic Records, and one of the few in the room at RCA and Columbia. But before that, she was secretary to Ahmet Ertegun, Atlantic's infamous president, who signed acts like Aretha Franklin and Led Zeppelin, negotiated distribution deals with Mick Jagger, and added Neil Young to Crosby, Stills & Nash. The stories she tells about the kingmakers of the music industry are outrageous, but it is her sinuous friendship with Ahmet that frames her narrative. He was notoriously abusive, sexually harassing Dorothy on a daily basis. Still, when he neared his end, sad and alone, Dorothy had no hatred toward him—only a strange kind of loyalty. Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit. Featuring never-before-heard stories about artists like Michael Jackson, Madonna, Steven Tyler, Bon Jovi, INXS, Marc Anthony, Phil Collins, and many more, this book is a must-read for anyone who has ever wondered what it's really like to be a woman in a male-dominated industry.

Guide's Life is an autobiographical memoir by Mikel W. Dawson. The book chronicles the author's life as a professional guide and a distinguished 23-year military career, including time spent as a member of the 7th ARCOM from 1993 until 2004. Growing up on a farm in southwest Idaho, Dawson graduated from the Greenleaf Friends Academy in 1974 and worked as a diesel mechanic, spending his spare time with horses. Dawson eventually met a wilderness outfitter and was offered a job as a guide. He spent several seasons as a guide in the Salmon River Wilderness Area in central Idaho, before moving to Denmark. Dawson joined the 25th Army Band, Idaho National Guard in 1983, eventually transferring to the 104th Division, changing to MOS 11B, and becoming a drill Sergeant in the Army Reserve, and then transferring to the 321st Combat Engineers. After moving to Denmark, the author transferred to the 7th Army Reserve Command (ARCOM) and went on to earn the Meritorious Service Medal and the Bronze Star following assignments in Bosnia, Ukraine, Kosovo, Kuwait, and Iraq.

Guide's Life chronicles the author's adventures, experiences and trials during these 23 years of service. Mikel W. Dawson grew up a country boy in rural Idaho. Following a distinguished career in the military, the author now resides in Lintrup, Denmark where he runs his own business shoeing horses. In addition to his writing and his work with horses, the author enjoys metalworking, studying history, and travel. Publisher's website: <http://sbpra.com/MikelWDawson>

Maybe the game of golf wasn't invented in Ireland but to most visitors it seems that way. After all, there are more golf courses per square mile in Ireland than in any part of the world. A golfing visit to Ireland will be the trip of a lifetime for many reasons. First, links courses sparkle like an emerald necklace around the coastline of Ireland. It is subjective to pick the best from so many great courses but here are a few: Royal Portrush, Portstewart, Royal County Down, Baltray, Portmarnock, The European Club, Old Head, Waterville, Ballybunion, Tralee, Lahinch, Doonbeg, Connemara, Carne, Enniscrone, Murvagh, Ballyliffin and Rosapenna. Second, the past two decades have brought world class resorts with the finest facilities and championship level courses, including The K Club, Lough Erne, Druids Glen, Mount Wolsely, Killeen Castle, Glasson, Galgorm Castle, Slieve Russell, The Heritage, Powerscourt, Adare, Fota Island, Dromoland Castle and many more. Third, visitors can enjoy over 400 private golf clubs scattered throughout Ireland where greens fees offer excellent value and local members make you feel at home. Not least, the 19th hole is a great opportunity to meet local golfers. An old saying puts it like this: There are no strangers in Ireland, only friends you haven't met before. The successes of Irish golfers on the international circuit has also put the spotlight on the great golf found throughout the Island. Pdraig Harrington, Graeme McDowell, Rory McIlroy, Darren Clarke, Paul McGinley, Shane Lowrey and others have been not just successful competitors but wonderful ambassadors for Irish fun and hospitality. I hope you and your friends will come to experience golf in Ireland for yourselves. I can assure you a warm welcome and some wonderful memories. Joe Byrne Executive Vice-President Tourism Ireland
