Shalom! I know you may have read many prophetic books before, but the difference with this book is that it's more than a book that can be read. It's a manual that can be lived. I freely share all the wisdom, instruction, trials and errors that have groomed me to where I presently am in power, anointing and ministry. *Walking in the Anointing... Hodder & Stoughton*

Did God call women to preach? This question has been asked all through history. This book will give you food for thought. Answer this question for yourself. Today people are turning away from God. We are cursed with a curse. This book ordained by God comes to break the curse which has separated women and men in the ministry. While men continue to cry out about a elevated platform with no anointing, marching back and forth guarding it from being overtaken by women preachers. Our World dies. The Word of God says; "there is no male or female, no Gentile or Jew all are one in Christ". What is the real issue? You will be surprise to find out it isn't even about God. It is time for women preachers to stop being hurt, brow beaten and ostercized at the expense of a dying world . Even in the bible the evil men walked around carrying rocks. If, women do anything that men don't agree with, they beat them and they will even try to kill them. The Devil is the real enemy to the Word of God. The Devil knows if he can keep us divided, our babies will continue to have babies, or young men will not dream dreams, they will live nightmares. Our churches will no

longer be the House of Prayer, instead it will become a corporate merchandising flea market for the soul centrally located in a dying world. Women Preachers are not the enemy, and all men are not bad. There are the men who know who they are and whose they are. Then there are those that are "Sheep with big feet". Remember this ..God is Soverign and he can do whatever he wants, with whomever he wants, anytime he wants. He is GOD!

to all believers, showing you how to keep from being deceived, protect your freedom in Christ, expect miracles in your life, and recapture the fire of the Holy Spirit. Readers learn how to recognize and dismiss any teaching or influence that would seek to tear them away from two foundational truths: 1. God's power at work in each of us is what gives us the power and the ability to overcome. 2. What started in the Spirit has to be maintained by the Spirit and God's sanctifying, enabling grace. Miller wrote this book to show how the salvation message is often merely seen as a course in self-improvement, which deceives believers into thinking they no longer have to be saved by God's grace. Readers will see why this belief abandons the work of the Holy Spirit and lets man rule by the flesh.

The Theory and Practice of Operating in The Anointing Dag Heward-Mills

The Time Has Come To Receive As a people birthed with purpose, God has reserved the best for the last to display his tangible anointing power to a dying world. The anointing is that divine inducement from above, and not a desire of emotional feelings. It comes not with years of experience, status and articulates. But rather it is given by laying aside every weight and sin that easily besets us. He has placed a now power (Ephesians 3:20) on the inside of you to defeat your adversary. This power is actually on the inside of you right now. This is the beginning of miracles concerning you just believe! Discovering the anointing on your life; you will realize that it an inheritance given to serve and not to be served. I believe we are at a prophetic crossroad in history to witness a people with a new birth - destined to walk in a double portion of his spirit, just as Elisha received a double portion of Elijahs spirit. God has saved us, the best, for the last. Therefore, we

must desire nothing less than the anointing that destroys yokes of bondage, opens blind eyes, straightens crippled limbs, mends broken homes and deliver every captive. Gods Word promises that there will be an overflow, or a double portion, of wine and oil (or anointing), coming your way in one month. Thats a double blessing! This double portion is waiting for you, it is part of your inheritance through Christ Jesus. It will show you how to walk in the anointing of the Holy Spirit and do greater works than that of the risen Messiah. This is your hour of power! This is your day to receive your double portion. After reading this book your life should never be the same again. It is my desire that readers obtain spiritual experiences and insights that will enlarge their spiritual vision for tomorrow.

The Lord has anointed all believers to demonstrate His power by operating in their anointing, and yet it remains one of the most misunderstood topics in the modern-day church. In *Marked by the Anointing*, Anthony Trezza takes readers on a journey through the Bible, revealing what the anointing is according to the word of God and not according to the tradition of men. As you read this book you will clearly see that the anointing is not a power, it the process by which the Lord marks and sets apart ordinary men and women for an extraordinary work, and that the power of the anointing is the Holy Spirit.

*The Power of the Anointing: The Burden Remover and Yoke Destroyer* by Evangelist Virginia Sutton Finally, after eight years of praying, fasting, and warfare against the powers of darkness, it is finished: my first book about the anointing. I began to write on October 8, 2002, and finished June 16, 2010. To write about the anointing was not easy because Satan knows this is one sure weapon that will put him out of business: this is why he constantly tries to set traps for those that are sold out to GOD and are walking in the anointing that has been placed upon their lives. You see, the anointing is your divine spiritual authority in the spirit that has been delegated down to us from the Lord. Therefore, the anointing is GOD'S holy Power, Presence, and SPIRIT upon man/woman for the purpose of not only to live holy but to also tear down the kingdom of Satan and build up the kingdom of God. The anointing enables, enhances, and equips in order to whip the powers of darkness: Sinful yokes are destroyed because of the anointing; therefore, the devil is

alarmed over the anointing, which pricks the heart of man and causes him to cry out, "What must I do to be saved?" Acts 2:37-38 Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

**The Anatomy And Physiology Of The Anointing** WestBow

It has been observed that some people have faltered in their Christian walk because of failure to understand how the anointing of the Holy Spirit operates. Many men of God have tried to move in the anointing with little results because they ever in the first place sought to understand the anatomy and physiology of the anointing. In order to be effective in ministry especially in the demonstration of the power of God, it is important that you understand the character of manifestation, nature of operation and genetic make-up of the anointing. Having a deeper understanding of the anointing to that level will usher you into streams of practical demonstrations that will change your ministry fever. In retrospect of my former book titled, "Deeper Revelations Of The Anointing," where I explored deep revelations of how the anointing functions and the secrets to practically demonstrating the anointing in any setting. In this publication, my focus is on the anatomy and physiology of the anointing. This implies dissecting the subject of the anointing in order to gasp a deeper revelation of the character, composition, ingredients and genetic make-up of the anointing. So many believers are acclimated with practical demonstrations of the anointing yet they hardly get to understand the chemistry and physics behind these manifestations of the anointing. Did you know that the anointing has its own character? The anointing has its own attributes or features that distinguish it from other spiritual substances of Heaven. It is for this reason that Samuel advised Saul that when he goes to join the prophets, the anointing will come upon him and he will be turned into another man. The phrase, "turned into another man" alludes to the personality of the anointing. The anointing is like a brand; it

---

establishes you, sets you apart and causes you to be different. It gives you an identity that millions of people can associate you with. Bearing in mind that the anointing is an impartation of God's supernatural ability upon an available and yielded vessel to enable it to do His work efficiently and effectively, when we speak of the anatomy and physiology of the anointing, we connote to the chemical, physical and mechanical composition of the anointing. In other words, we are closely examining the ingredients, components and forensic details of the substance of the anointing. A forensic understanding of its character will enable you as a believer to flow easily in the demonstration of the anointing. It is important that since Christianity is a journey into the dimension of the spirit, we ought to understand holistically how the anointing operates so that we can effectively move, function and operate in that realm. In other words, if we wish to move mightily in the realm of the anointing without failures, mistakes, confusion or disappointments, we ought to study and understand the dynamics of the anointing by looking at some of its inherent properties expounded in this book.

Churches are the prime target of cults. In order to minister to the people within our church there can be no mistake - Christianity is directly and indirectly under attack. Direct attacks are seen in areas and countries where God is not served and worshipped and other gods have displaced Him. Indirect attacks come from people, even Christians, who dabble in the occult and the mindset of New Age Spirituality and may not even realize it. Whether direct or indirect, known or unknown, the Spirit of Cult Worship is clear and at

work in our churches, desiring to destroy them. This is Simon's ChurchBuster episode.

**Adventures Through Life** Charisma Media  
For many years, the body of Christ around the world has been subject to criticism owing to many Christians' attitudes toward finances and the doctrine of financial prosperity. But where have things gone wrong? Many whom God has entrusted with money have used it to advance their selfish interests at the expense of the advancement of the kingdom of God and society at large. While being financially prosperous is not sinful in itself, the motive behind the desire for money and its subsequent use often conflicts with biblical standards. The Bible makes a clear distinction between Mammon and God. Both are spirits, and both influence the motive, source, and use of finances. A new breed of kingdom-minded Christians who can be entrusted with heaven's resources must emerge. This book will surely uncover the true source and purpose of finances for Christians who desire to extend the kingdom of God on earth. In this book, you will learn: The difference between kingdom-driven prosperity and Mammon-driven prosperity. The perils and dangers of Mammon in the body of Christ.

Although many of us long to be blessed by the anointing of the Holy Spirit, R. T. Kendall believes it is possible to abuse this anointing - and become yesterday's man or woman. This happens by trying to move outside our calling and capabilities, for example, or even through impatience. Drawing on the Bible, especially the lives of Saul, Samuel and David, as well as on his own experience, R. T. helps us to identify our current usefulness and urges us to seek a fresh anointing of the Holy Spirit each day.
