The MERCHANT of VENICE (with Story) Nelson Thornes

This book shows that, when Shakespeare wrote his plays, he responded to the political, religious and social conflicts in the Christianity of the day, giving those areas a new perspective through pagan (Italian and Greek) mythology. In particular, it offers a reading of The Winter's Tale, which it has been said is "one of the most linguistically dense, emotionally demanding and spiritually rich of all the plays". Productions as far afield as Mexico and Paris have brought Shakespeare's plays up to date to enhance or challenge the lives of their communities. From South Africa to Gdansk, Shakespeare has been adapted to be read in schools. His plays have prompted a dialogue with many European scholars whom this book addresses.

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-

language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. It depicts many

aspects of the society of the times - social classes and segregation, and trading and commerce. The play opens with Antonio, the merchant of Venice, troubled about his ships at sea. As Bassanio enters the scene, the audience gets a clear picture of the affection that Antonio holds for him. Bassanio pours out his heart to Antonio about his desire to marry the beautiful and rich heiress Portia in Belmont. It is revealed that Bassanio is an extravagant youth, who has spent most of his inheritance, and wishes to marry Portia partly out of love, and partly to repair his fortunes. It is usual for Bassanio to ask Antonio for financial aid, and he does so now again. But Antonio's 'fortunes are at sea', and he asks Bassanio to take credit in his name from whoever is willing to lend in Venice. This leads Antonio to enter into a hazardous bond with the hard-hearted Jew Shylock. In Belmont, Portia is overwhelmed by a constant line of suitors, who come to undertake her late father's challenge and win her hand - they are required to choose from three caskets of gold, silver, and lead the one containing Portia's portrait. As every suitor fails due to his vanity or overconfidence, Bassanio arrives much to Portia's delight, for she has favoured him since the time of his first visit to Belmont. As Bassanio successfully passes the test of the caskets, his friend Gratiano expresses his desire to marry Nerissa, Portia's gentlewoman. As both couples rejoice in the union, news arrives from Venice that Antonio has failed to repay the debt in time, and is in danger of losing a pound of flesh, the penalty in his contract with Shylock. Bassanio immediately leaves for Venice with Gratiano, and so does Portia with Nerissa, but without anyone's knowledge. At the crucial trial of Antonio, Portia and Nerissa arrive at the court disguised as a young lawyer and a clerk. As Shylock remains stubborn on claiming his bond, Portia cleverly turns the tables on him, which not only saves Antonio's life but also compels Shylock to forfeit his loan and bequeath his property to his daughter and son-in-law. All characters return to Belmont, where Portia informs Antonio that his ships have been salvaged and have come to harbour. Like a typical Shakespearean comedy, the play ends on the happy note of all's well that ends well. The play has rich characterization. Portia is memorable as a gutsy heroine who resolves the conflict in the play. She stresses mercy as a divine quality as against the call for revenge by Shylock. Shylock, on the other hand, though portrayed as the antagonist of the play, is representative of those who are victims of the evils of prejudice and betrayal. Being a Jew, he is spited by Antonio and the others, which fuels his craving for revenge. Both characters have some of the most memorable speeches in the play that

establish the common humanity of all races and cultures.

First performed by Shakespeare ' s rivals in the 1590s, Christopher Marlowe ' s The Jew of Malta was a trend-setting, innovative play whose black comedy and final tragic irony illuminate the darker regions of the Elizabethan cultural imagination. Although Jews were banished from England in 1291, the Jew in the form of Barabas, the play ' s protagonist, returns on the stage to embody and to challenge the dramatic and cultural anti-Semitic stereotypes out of which he is constructed. The result is a theatrically sophisticated but deeply unsettling play whose rich cultural significance extends beyond the early modern period to the present day. The introduction and historical documents in this edition provide a rich context for the world of the play ' s composition and production, including materials on Jewishness and anti-Semitism, the political struggles over Malta, and Christopher Marlowe ' s personal and political reputation.

Your silence and attention, worthy friends, That your free spirits may with more pleasing sense Relish the life of this our active scene: To which intent, to calm this murmuring breath, We ring this round with our invoking spells; If that your listening ears be yet prepar'd To entertain the subject of our play, Lend us your patience. Tis Peter Fabell, a renowned Scholler, Whose fame hath still been hitherto forgot By all the writers of this latter age. In Middle-sex his birth and his abode, Not full seven mile from this great famous City, That, for his fame in sleights and magicke won, Was calde the merry Friend of Emonton. If any here make doubt of such a name, In Edmonton yet fresh unto this day, Fixt in the wall of that old antient Church, His monument remayneth to be seen; His memory yet in the mouths of men, That whilst he lived he could deceive the Devill. Imagine now that whilst he is retirde From Cambridge back unto his native home, Suppose the silent, sable visagde night Casts her black curtain over all the World; And whilst he sleeps within his silent bed, Toiled with the studies of the passed day, The very time and hour wherein that spirit That many years attended his command, And often times twixt Cambridge and that town Had in a minute borne him through the air, By composition twixt the fiend and him, Comes now to claim the Scholler for his due.
