Re: performance upgrade for mercruiser 4.3L I have the 1.6 ratio comp cams magnum Roller rockers on my 4.3 with roller cam and have had no problems with reversion. This is on my 1992 with a edelbrock intake and holley carb. I am waiting until my 2003 is out of warranty to do the same to it. I already have the intake and edelbrock carb.

MerCruiser 4.3 TKS -- Blown Ignition Fuse and Shorted TKS Diode June 14th, 2017, 03:54 PM. I have a 2008 Sea Ray Sport 205 with a MerCruiser 4.3L TKS engine. Recently the ignition fuse blew and I discovered that the TKS diode was shorted. After I removed the diode and replaced the fuse, the engine started and appeared to run fine.

Re: MerCruiser 4.3L TKS starting issue First of all, it's not fuel injection. You can not start it like a car, and it will not run right until you allow it to warm up. All TKS is, is a primer start similar to an outboard. Again, it is not fuel injection and the engine needs to warm up before using it.
