Diploma in Dental Nursing, Level
3 is the new edition of the must-

have study companion for trainee dental nurses preparing for the City & Guilds Level 3 Diploma in Dental Nursing (formerly NVQ). The book offers comprehensive support on the units assessed by portfolio - from first aid and health and safety to specific chairside support procedures - as well as the four areas of the course tested by multiple choice questions: infection control, oral health assessment, dental radiography and oral health management. This third edition of an established revision text has been substantially revised and restructured in line with the new qualification and reflects changes in the regulations and legislature affecting dentistry and dental workplaces, all of which have an

effect on the daily role and working life of the dental nurse. It will be an invaluable guide for dental nurse trainees, qualified dental nurses and course providers. - Expanded and revised, with extensive coverage of the fifteen Diploma units - In full colour throughout with over 400 illustrations - Companion website with downloadable glossary and MCQs for revision and self-assessment

Cassese's International Law
Oxford University Press,
USA

"Contains a total of 177 articles ... that cover the entire history of exploration from ancient times to the present day"--Page 12.

Notes and Queries
Marshall Cavendish
The top 9,500 publicly traded companies on the New York, NASDAQ and OTC exchanges. All companies have assets of more than \$5 million and are filed with the SEC. Each entry describes business activity, 5 year sales, income, earnings per share, assets and liabilities. Senior employees and major shareholders are named. Seven indices give unrivalled access to the information.

Cassese's International Law is
a new edition of an established
classic. Authors Gaeta,
Viuales, and Zappal have
built on the legacy of
international law luminary
Antonio Cassese to offer a
thought-provoking and lucid
account for today's

undergraduates and
postgraduates. The authors
have refreshed Cassese's
original approach, ensuring the
book continues to compare the
traditional legal position with
the developing and evolving
law. Advancing areas such as
the law of the sea, territorial
matters, and international
environmental law have been
expanded to give proper place
to their evolving development,
while brand new chapters on
international trade and foreign
investment have been written to
reflect the advancements of
these areas. In maintaining the
broad structure and approach

but providing new material, the
authors bring fresh context to
Cassese's thinking and provide
students with an up-to-date,
compelling account of the
landscape of international legal
thinking.
