No one is born courageous, but everyone hopes courage will come. Here's how to stand strong. Like many other people of faith, you may be concerned about what the future holds for Christians in America. Every day we wake up in a nation and world that is increasingly hostile to our beliefs and values. Even the basic freedoms that define America--speech and religion--are under attack. The result is that many of us have become fearful, apathetic and detached. The great need of the day is a sweeping revolution of courage in our lives, families and houses of worship. A Call for Courage will spark that revolution in you. Michael Anthony understands how fear can paralyze us, and in this revolutionary new book he shows Christians how to stand up and speak out, mobilizing them to walk by faith, not fear. Drawing from Scripture and deep personal experience, he proves that anyone can learn the secret to putting fear in its place and becoming more courageous. A Call for Courage will help you stand up and speak out while others demand you sit down and shut up. You will learn how to develop the secret weapons God has given you for courage, handle haters, racists, and everyone in between, overcome attacks against your freedom of religion and speech, speak the truth with love when disagreements threaten to create division, and develop courageous humility as your new way of life. A Call for Courage is a handbook on how to live with courageous humility. No matter who you are or what you're facing, A Call for Courage will help you live with power, truth, and love in an age of intolerance and fear.

Conversations with God for Teens Bytes 4 the Heart
Michael Grant's Messenger of Fear is a haunting narrative that examines the nature of good and evil in every human. Fans of Michelle Hodkin's Mara Dyer trilogy and Stephen King will love this satisfyingly twisted series. Mara Todd wakes in a field of dead grass, a heavy mist pressing down on her. She is terrified, afraid that she is dead. She can't remember who she is or anything about her past. Is it because of the boy who appears? He calls himself the Messenger of Fear. If the world does not bring justice to those who do evil, the Messenger will. He offers the wicked a game. If they win, they go free. If they lose, they will live their greatest fear. Either way, their sanity will be challenged. It is a world of fair but harsh justice. Of retribution and redemption. And mystery. Why was Mara chosen to be the Messenger's apprentice? What has she done to deserve this terrible fate? She won't find out until three of the wicked receive justice. And when she does, she will be shattered.

Gone Electric Monkey
Eco-obsessed ex-cop Charlie Waldo doesn't want to live in LA, and he doesn't want to work as PI. But to his dismay, when his PI girlfriend Lorena needs help with a client, he finds himself doing both. At least he's a fan of Judge Ida Mudge - but the controversial TV star is hiding something, and Waldo might not live long enough to find out what.

A Call for Courage HarperCollins
The games continue in New York Times bestselling author Michael Grant's sequel to Messenger of Fear—a haunting tale for fans of Stephen King that combines fantasy with real-world horror stories. Mara has learned to punish the wicked as the Messenger's apprentice. Those who act out of selfishness and greed, and others who become violent because of prejudice and hate, pay the ultimate price. But Mara is constantly reminded that Messengers are serving their own kind of punishment—for every person who is offered justice, they wear a tattoo that symbolizes the heart of the crime. As Mara delves deeper into her harsh reality she will discover that in spite of all the terror she and Messenger inflict, caring in this world is the hardest part of all.

Hunger Electric Monkey
The fifth book in the bestselling Gone series by Michael Grant continues the page-turning saga of Sam, Astrid, and Drake in their terrifying post-apocalyptic world. It's been one year since all the adults disappeared. Gone. Despite the hunger, despite the lies, even despite the plague, the kids of Perdido Beach are determined to survive. Creeping into the tenuous new world they've built, though, is the worst incarnation yet of the enemy known as the Darkness: fear. Within the FAYZ, life breaks down while the Darkness takes over—turning the dome-world of the FAYZ entirely black. A will to survive and a desire to take care of those they love endure in this ravaged band, even in the bleakest moments. But in darkness, the worst fears of all emerge, and the cruelest of intentions are carried out. After so many months, is all about to be lost in the FAYZ? “Fans can count on more excellent storytelling, multidimensional characters who continue to develop in unexpected ways, and some mighty find eye-popping moments.” —VOYA (starred review) Read the entire series: Gone Hunger Lies Plague Fear Light Monster Villain Hero

Imagine Skybound Books
This collection contains all six books in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi Gone saga. These page-turning thrillers invoke the classic The Lord of the Flies along with the horror of Stephen King. King himself said: "I love these books." In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . Michael Grant's Gone series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: Gone, Hunger, Lies, Plague, Fear, and Light.

In Her Name First Contact Harper Collins
The first book in the thrilling, chilling new series from no. 1 bestselling author of GONE, Michael Grant. I remembered my name – Mara. But, standing in that ghostly place, faced with the solemn young man in the black coat with silver skulls for buttons, I could recall nothing else about myself. And then the games began. Think you know the meaning of suspense? Think again... The Messenger sees the darkness in young hearts, and the damage it inflicts upon the world. If they go unpunished, he offers the wicked a game. Win, and they can go free. Lose, and they will live out their greatest fear. But what does any of

this have to do with Mara? She is about to find out...
Front Lines Harper Collins
Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

The David Story: A Translation with Commentary of 1 and 2 Samuel Feiwei & Friends
Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Through the Looking Glass HarperCollins
Acclaimed author Michael Grant’s globally bestselling Gone series continues with Villain, where old foes return and new ones rise, with action-packed scenes, gory battles, and plot twists that will leave readers scrambling for more. It’s been four years since the events of GONE. The Perdido Beach dome is down, but the horrors within have spread. The alien virus-infested rock that created the FAYZ is creating monsters—monsters that walk the cities and countryside, terrorizing all. There are tanks in the street and predator drones in the sky, doomed efforts to stop the disintegration of civilization. Into this chaos comes a villain with the power to control anyone with just the sound of his voice. Dillon Poe wanted to be a comedian once . . . but everyone made fun of him. Dillon the loser. Dillon the freak. Now he’s sending thousands to their death. Who’s laughing now? The only people who can stop a superpowered villain are superpowered heroes. Dekka, Shade, Cruz, Malik, Armo, and a new mutant with unmatched powers, are all that stand in Dillon’s way. But when the lines begin to blur between hero and villain—some begin to wonder who’s really the monster. Praise for Monster: “Ratchets up the gore and action, and features a diverse cast of characters. An evocative, intricately plotted companion series.” –ALA Booklist Read the entire series: Gone Hunger Lies Plague Fear Light Monster Villain Hero
Plague Harper Collins
“A lyrical, shuddersome novel whose images linger with you long after you've turned the last page, like the most haunting of dreams.” --Cassandra Clare, #1 New York Times bestselling author of The Mortal Instruments and The Infernal Devices, on Wake This boxed set contains all three books in the bestselling WAKE trilogy: Wake, Fade, Gone. Janie Hannagan gets sucked into other people’s dreams. It’s an ability she always kept secret—until she met Cabel, and found herself with the best (secret) boyfriend ever. But Janie and Cabel are about to find out just how dark Janie’s future as a Dream Catcher is... and whether Cabel will be a part of it.

Monster Messenger of Fear
The mind-blowing conclusion to the Monster trilogy and the final installment in the Gone series from science fiction and fantasy master Michael Grant is perfect for superhero and Stephen King fans alike. After the fall of Perdido Beach dome, a new set of humans developed mutant powers from the rock infected with alien virus. They are the Rockborn Gang: Dekka, Shade, Cruz, Malik, Armo, and Francis. With their superpowers, they have defended the earth from other rockborn who used their powers for evil, like Dillon Poe. When another rock carrying the virus strikes New York, a new foe, Bob Markovic, rises with a horrifying and nearly unstoppable ability. Markovic’s unending ambition and lack of a moral compass made him unbearable before the virus. And that was before he was a swarm of plague-ridden insects, with the power and means to take over the city—and maybe the world. As the Rockborn Gang try to defeat their latest villain, they will find themselves on morally gray grounds and have to make tough decisions if they want to save the world. In this pulse-pounding finale to the saga more than ten years in the making, Michael Grant delivers an unforgettable conclusion while asking: What does it take to be a hero? Praise for Monster: “Ratchets up the gore and action, and features a diverse cast of characters. An evocative, intricately plotted companion series.” –ALA Booklist Read the entire series: Gone Hunger Lies Plague Fear Light Monster Villain Hero

In the thrilling second book of the Magnificent 12 series, Mack MacAvoy is challenged by his spectral mentor, Grimluk—who only appears in the shiny chrome pipes of bathrooms. Mack must find the ancient ones, the great forgotten forces. Some will help; some not so much. But above

all— Learn the ways of Vargran! Assemble the twelve! Go to the nine dragons of Daidu. Go to the Egge rocks. Beware of . . . the trap. Time is short! The wicked Pale Queen’s three-thousand-year banishment ends in thirty-five days, and she will be free to destroy the world. It’s up to Mack to stop her return. But what do all of Grimluk’s clues mean? Can Mack achieve everything he must do without getting killed by the evil Risky—and escape the trap? The Magnificent 12: The Trap is another fast-paced episode in bestselling author Michael Grant’s hilarious fantasy-adventure series.

Fear Penguin

It's been three months since everyone under the age of fifteen became trapped in the bubble known as the FAYZ. Three months since all the adults disappeared. Gone. Food ran out weeks ago. Everyone is starving, but no one wants to figure out a solution. And each day, more and more kids are evolving, developing supernatural abilities that set them apart from the kids without powers. Tension rises and chaos is descending upon the town. It's the normal kids against the mutants. Each kid is out for himself, and even the good ones turn murderous. But a larger problem looms. The Darkness, a sinister creature that has lived buried deep in the hills, begins calling to some of the teens in the FAYZ. Calling to them, guiding them, manipulating them. The Darkness has awakened. And it is hungry.

Bzrk Apocalypse Harper Collins

Fans of the 39 Clues books will love The Key, the third entry in Michael Grant’s middle-grade Magnificent 12 series. Full of adventure and wackiness, the Magnificent 12 books are also perfect for readers of funny, action-filled series like Dan Gutman’s Genius Files. With 21 phobias, Mack MacAvoy is more of a wimpy kid than a hero, but he is on a quest to defeat the wicked—and crazy, and mean, and dangerous—Pale Queen before her three-thousand-year banishment ends. In The Key, Mack must find more of the Magnificent 12, the twelve twelve-year-olds fated to stop the queen from destroying the world, and assemble a key—a cheat sheet, really—to a magical language. Along the way, he’ll transform the Loch Ness monster into a gigantic duck, and transport the Eiffel Tower across the River Seine. The Key is another fast-paced episode in Michael Grant’s bestselling and hysterical fantasy adventure series.

Krazy Harper Collins

The Snake delves deeper into New York Times bestselling author Michael Grant's world of harsh justice. Fans of Stephen King will be mesmerized by this chilling yet deeply thought-provoking horror story. The Messenger and Mara witness a crime. Someone is dead. Someone has to pay. But when they travel back through space and time to uncover the truth, they come to learn that two people had wicked intentions. They had seen an act of revenge. In a twisted web of lust and vengeance, only Mara, as Messenger's apprentice, can decide who will play a game for redemption. Two wrongs don't make a right. . . . Only one will pay the ultimate price.

The Magnificent 12: The Call National Academies Press

Plague, Michael Grant's fourth book in the bestselling Gone series, will satisfy dystopian fans of all ages. It's been eight months since all the adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building. Yet despite the simmering unrest left behind by so many battles, power struggles, and angry divides, there is a momentary calm in Perdido Beach. But enemies in the FAYZ don't just fade away, and in the quiet, deadly things are stirring, mutating, and finding their way free. The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate. Sinister, predatory insects terrorize Perdido Beach. And Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love? “Grant’s sf-fantasy thrillers continue to be the very definition of a page-turner.” —ALA Booklist Read the entire series: Gone Hunger Lies Plague Fear Light Monster Villain Hero
