**Metahistory: The Historical Imagination in Nineteenth ...**

Metahistory: The Historical Imagination in Nineteenth-Century Europe. In White's view, beyond the surface level of the historical text, there is a deep structural, or latent, content that is generally poetic and specifically linguistic in nature.

*Hayden White: The Historical Imagination | Reviews in History*

The first work in the history of historiography to concentrate on historical writing as writing, Metahistory sets out to deprive history of its status as a bedrock of factual truth, to redeem narrative as the substance of historicity, and to identify the extent to which any distinction between history and ideology on the basis of the presumed scientificity of the former is spurious.

**Metahistory: Historical Imagination in Nineteenth Century ...**

The latter term would resurface four years later as the title of his most famous work, a thumping 448 page tome entitled Metahistory: The Historical Imagination in the Nineteenth Century. As one might expect with a book of this size, at times it seems there are several disparate books – or several Hayden Whites – struggling to emerge from its pages.

Metahistory: The Historical Imagination in Nineteenth-century Europe is a work of historiography by Hayden White first published in 1973. On the second page of his Introduction White stated: My own analysis of the deep structure of the historical imagination of Nineteenth century Europe is intended to provide a new perspective on the current debate over the nature and function of historical knowledge. The theoretical framework is outlined in the first 50 pages of the book, which consider in deta
