Empire in Black and Gold Simon and Schuster

A band of brothers, committed only to each other, rides the waves, fighting for the highest bidder, treading the whale road in search of legendary relics. Life is savage aboard a Viking raiding ship. When Orm Rurikson is plucked from the snows of Norway to brave the seas on the Fjord Elk, he becomes an unlikely member of the notorious crew. Although young, Orm must quickly become a warrior if he is to survive. His fellow crew are the Oathsworn---named after the spoken bond that ties them in brotherhood. They fight hard, they drink hard, and they always defend their own. But times are changing. Loyalty to the old Norse Gods is fading, and the followers of the mysterious "White Christ" are gaining power across Europe. Hired as relic hunters, the Oathsworn are sent in search of a sword believed to have killed the White Christ. Their quest will lead them onto the deep and treacherous waters of the whale road, toward the cursed treasure of Attila the Hun and to a challenge that presents the ultimate threat. Robert Low has written a stunning epic, a remarkable debut novel. Not only a compelling narrative, The Whale Road also brings a new Viking landscape stretching from Scotland through the Baltic and on to Istanbul. International Praise for The Whale Road: "A company of warriors, desperate battles, an enthralling read." ---Bernard Cornwell "A fantastic book, one of the best I have read for years. There's a wonderful earthiness to the proceedings and he creates a tangible sense of being there. There's a sturdy, lyrical, and epic quality about the writing that makes it feel like the kind of saga a Viking would recount in his old age." ---Simon Scarrow "A stirring Viking series of blockbuster battles and religious intrigue." ---Publishing News "Action-packed and evocative." ---Herald (Glasgow)

Kai and Caleb Goodacre have been kidnapped just as rumors of a cult sweeping across the reservation leads Maggie and Hastiin to investigate an outpost, and what they find there will challenge everything they ’ ve come to know in this “ badass ” (The New York Times) action-packed sequel to Trail of Lightning. It ’ s been four weeks since the bloody showdown at Black Mesa, and Maggie Hoskie, Din é monster hunter, is trying to make the best of things. Only her latest bounty hunt has gone sideways, she ’ s lost her only friend, Kai Arviso, and she ’ s somehow found herself responsible for a girl with a strange clan power. Then the Goodacre twins show up at Maggie ’ s door with the news that Kai and the youngest Goodacre, Caleb, have fallen in with a mysterious cult, led by a figure out of Navajo legend called the White Locust. The Goodacres are convinced that Kai ’ s a true believer, but Maggie suspects there ’ s more to Kai ’ s new faith than meets the eye. She vows to track down the White Locust, then rescue Kai and make things right between them. Her search leads her beyond the Walls of Din é tah and straight into the horrors of the Big Water world outside. With the aid of a motley collection of allies, Maggie must battle body harvesters, newborn casino gods and, ultimately, the White Locust himself. But the cult leader is nothing like she suspected, and Kai might not need rescuing after all. When the full scope of the White Locust ’ s plans are revealed, Maggie ’ s burgeoning trust in her friends, and herself, will be pushed to the breaking point, and not everyone will survive.

Scars of Mirrodin: The Quest for Karn Penguin

In the far future, humanity began to search the stars, sending out vast spaceships that would take generations to reach their goals. In the depths of space they encountered the Ildiran empire - apparently the galaxy's only other intelligent civilization. The Ildirans came to Earth and passed on the knowledge of their stardrive, allowing humanity to expand to the stars. Almost two hundred years after that first contact, there are human colonies proliferating through the galaxy. As Mankind seizes the future, danger comes from the past, for two human archaeologists glean forbidden knowledge from the ruins of a dead world. Once, the insect-like Klikiss ruled the stars. Now, only their robot servants remain, guardians of a terrible technology - the Klikiss Torch, which has the power to create suns. Now, Humanity prepares to flex its new found muscle and activate the Torch for the first time in millennia, but there are reasons the Klikiss empire fell, and a train of events is about to be set in motion, that will change the universe...
