### What Causes Metallic Smell in Nose? - The Healthy Apron

I smell a sort of metallic smell in ONE room of my house on the top floor. Its a smell similar to iron. What it smells like most, to me, is blood. it doesnt smell like a gas or a methane but that doesnt mean it isnt that either. I have a carbon monoxide detector and just tested it. it works fine and has not gone off. My central AC has been off all day which isnt all that unusual, just the ...

### Why do i have a metallic smell? - JustAnswer

I have a mysterious metallic smell in my house. What is it? It moves from room to room, but not in the bathroom. It's causing headaches and nausea. Update: I've had the central heat & air unit, the water heater checked. My husband is a plumber. Had PG&E out, they couldn't find anything,(no washing machine) the air vents are sealed, there is no ...

This is definitely a strong metallic smell, more so than a taste. While I was out walking, it was intermittent. Seems like if it were from Fukushima or a plant venting across the lake in Wisconsin, I would smell it everywhere. However, last year after Fukushima, I could smell it from town to town as I traveled for work.
